As a deep fan, a long-standing wish of mine (as crazy as it may sound) had been — to have *breakfast with Prince*. But that wasn't to be. I have been fascinated by Prince ever since I first heard and saw him in the 80s. Then I was inspired by him as I came into my own creativity. I had imagined getting to meet up with him in some calm, casual space, maybe learn something? Have a chat? *Thank him*. And, well, breakfast just seemed right. So, this is a way for me each year, on the **Third Thursday in April**, to honor and bring joy to the day. Feel free to do the same. PRINT THIS MENU, share it, get cookin' — and crank up some tunes. **If you sell these items please consider donating proceeds to music education.** If you set your mind free baby, maybe you'll understand. Spread the word. Peace, y'all.
