

“Upon the recommendation of the Dutchess County Executive and County Health Department, the Senior Center is closed until further notice. The recommendation to avoid social gatherings of 20 or more is a preventative measure designed to reduce the spread of the COVID-19 virus. Please note that the virus has NOT been suspected at the Senior Center. You may contact the Recreation Department (845-724-5691) or Town Supervisor’s Office (845-724-5600) with your questions.”
