President's Message:

Did you know that this year's National Specialty will be our 10th since being approved for regular status with the American Kennel Club in 2013? To that I say let the celebration begin!! We could not have done it without you, our loyal members.

The 2022 National Specialty is coming a long and I hope that you will be joining us for this annual event. The national order form, RV reservation form and grooming space reservation forms have already been sent via email. Please contact me if you missed the email and I will send to you.

The Top Twenty invitations went out June 1st. Please note that this year changes include the Top dogs in NOHS as well. While most dogs are qualified under both categories, we will now be including a rosette for Best NOHS based on the overall scores. If you are not able to attend, I encourage you to order your rosette to commemorate your accomplishments. Like year previous each rosette will include the dog's name and titles.

Please stay informed by reading the board minutes each month and the quarterly PIP newsletter. It is the best way to find out what is happening with the club.

Do not hesitate to provide the board with your ideas. Your ideas will help us grow.

Thank you for your time and as always, we appreciate your input.

Respectfully Submitted,

Susan Souza
PPPA President
PPPA National Specialty ShowChair

Note from the Editor:

Hi, I am looking for our Juniors in Pequeno's participating in any AKC activity. Please send me a paragraph describing more about the Junior and the AKC activities they participate in. Please include pictures of them and their dogs.

Please send your information to.

AKC CODE OF SPORTSMANSHIP

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance, and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while making part in the sport.

You too can be a Judge

The Honor and Pride to be nominated to judge Futurity/Maturity

Did you know that to be able to judge Futurity/Maturity you have to be nominated by the breeders of our breed?

This is an immense honor. These breeders who are ensuring the preservation of the breed have chosen you to judge who they feel is the best to continue forward in the breed.

These wins are just the starting point to our breeds future. The judging process can give validation that someone outside their breeding program has the same breed preservation ideals as they do.

This is fantastic! Only PPPA members can be chosen to name the dogs that will be written in history. This is different from sweepstakes as anyone can judge that and not selected by the Futurity/Maturity breeders only.

Do you want to be considered for this great and unique honor?

If yes then please contact Bekki Pina at kaije1127@yahoo.com

Our Meet Juniors in Pequeno's

My name is Ana. I am a Junior handler with a Portuguese Podengo Pequeno. I have had my puppy Rumble for a year and I absolutely love the breed. They are so smart and sweet but also a little crazy. I have shown dogs since I was six years old but I have never met such an amazing breed as this. There are also some struggles like not having competition not just for points but to watch and learn how to better work with my dog and to improve as a team. Overall I am honored to work with such an amazing dog and my best friend Rumble.

INTERVIEW WITH A MEMBER

As many of you may know and some may not, Suzanne Faria was instrumental in getting our beloved breed, the Portuguese Podengo Pequeno approved with the American Kennel Club. Long hours of communicating back and forth with AKC so that everything was done in the exact manner necessary to gain approval.

I decided a while ago I had better capture this information before it was lost. It is important for new members and future members to understand who Suzanne Faria is and what role she played to help us gain AKC approval.

Below is an interview between myself, Susan Souza (SS) and founding member Suzanne Faria (SF).

SS...How long have you been involved in dogs and in what capacity?

SF... I have been involved in dogs my entire life. I have both owned a dog training facility, bred, and exhibited them.

SS...Besides the PPP what other breeds have you owned, bred and/or exhibited?

SF... I owned Standard Poodle, Afghan, Doberman Pinscher, and Ibizan Hound.

SS...Who introduced you to the PPP?

SF... I was introduced to the PPP by a German Hound magazine and then a Portuguese Breeder named Antonietta.

SS...Who were the most influential members of the Portuguese community that helped to educate you on the breed history? (alive or deceased)

SF... The most influential members of the Portuguese community who helped educate me were, first and foremost Luis Macedo. Followed by Carla Molinari, Vitor and Gabriela Veiga, Luis Gorgao Henriques.

SS...Have you ever been to Portugal?

If yes, in what year and were you able to attend the Monografica Dog show while you were there?

SF... I have been fortunate enough to go to Portugal twice. Initially I went in 2008 for the Monografica and returned with John Fitzpatrick in 2014 and again attended the Monografica.

SS...What was your involvement with the Portuguese Podengo Pequeno club prior to forming the PPPA?

SF... I joined the PPCA in 2004. I served on the BOD and as Vice President of that club. I came to a realization that there was need for a club which was truly an AKC motivated club so decided to create the PPPA.

SS...Who were the people that contributed to forming the PPPA and what were their roles? (specifically, to honor those that have passed before us as well as those still alive today)

SF... The biggest contributors of my forming the PPPA were Alice Mirestes who created the website and brochures, John Fitzpatrick who at my request, wrote the Code of Ethics. Sally Poole, who through her generosity allowed us to do our B matches and an A Match in her concrete floored barn. Many members across the country helped and encouraged me to do this. Susan and Stacy Faw, Lori Odeon, Nan Little a dear friend who created our beautiful logo, the list is long.

SS...It is my understanding that you were not the first president of the PPPA. Would you elaborate as to why that was important at the time?

SF... once I had written the Constitution and ByLaws and was ready to submit everything to AKC I realized I was not close friends with any of the leaders in Portugal but I knew Darlene Devaney was, so, I called Darlene and asked her if she would serve as President of the club. At first she was shocked considering she was completely unfamiliar with the workings of the AKC but once I explained I would serve as AKC liaison and take care of all AKC issues, she agreed. She served the first term of 2 years and then I convinced the board to leave her on for the next term which I felt would show AKC consistency. The following election I was elected as President. I resigned that position in 2016 due to serious health problems.

SS...We know that you were instrumental in getting the standard approved with AKC, what steps did you take to get the standard approved? Were there changes that needed to be made or was it a simple language translation? What were the descriptive differences and how were they interpreted?

SF... I wrote the Standard for the breed by following, exactly, the Portuguese standard but using AKC terminology. The only change I made was the Portuguese standard calls for a round foot and after speaking to Carla Molinari and Vitor Veiga, I requested they allow me to change it to oval foot and they agreed.

SS...In UKC and in FCI the coat types are split on conformation competition. Would you explain why they are not with the AKC?

SF... When it came to coat type I was told by more than one person at AKC there would be no split as they hadn't been coat splits since the 1950's.

SS...Have you see changes to the breed since they came to the US?

SF... The changes I see that bother me the most are the breed getting larger and longer.

SS...What improvements would you like to see in the breed? What trends have you notices that we as breeders need to be aware of?

SF... Proportions.

SS...Would you suggest any specific breed DQs to be added to the standard?

SF... I would not. While others may feel colors or size should be DQ'd, my conversations with the breeders in Portugal made sense as to why they were not disqualified in their standard. So the AKC standard remained the same.

SS...Is there any written proof of the wire being made up of other breeds, when other Podengo breeds naturally carry wires?

SF... I do not know of any formally written article regarding wire and smooth coats.

SS...How do you feel members could help the club promote the breed more?

SF... I would like to see more encouragement for lure coursing, agility, and obedience.

SS...Now that the club is an AKC member club what goals would you set to accomplish?

SF... As a member club I would like to see more promotion for the breed in the different venues of AKC.

Many thanks to Suzanne for participating in this interview. Your time is very much appreciated!

Sincerely,
Susan Souza
PPPA President.
