Hosts

A PUBLIC FORUM ON

Light Pollution and Dark Skies Initiative

February 24, 2020 @ 6:30 p.m.

**New Information On How and Why Light at Night
Affects Our Health and Well-being and
What We, as Individuals, Can Do About this Issue.**

{By the way - did you know Southold Town has a Lighting Code?}

OUR PANEL:

Susan Harder - International Dark-Sky Association's 2018 Hoag/Robinson Award winner and dark sky advocate for over 20 years. *(IDA is a non-profit organization that works to help stop light pollution and protect the night skies for present and future generations.)*

Heather Lanza - Director of Southold Planning Department

Steve Bellavia - Custer Institute

**Representatives from the Town Attorney's Office &
Town Code Enforcement**

**The American Legion Hall • Corner of Wickham and Pike Street,
Mattituck**
