2018 was the 20<sup>th</sup> Anniversary of Education for the Children (EFC) Foundation. For the past two decades, dedicated parent volunteers, local companies, and community members have helped raise funds for needed equipment and resources for our local public schools. This year, we will hold our annual Spring fundraising event, the Black & White Bash, on Saturday, April 27 at the Coto de Caza Golf & Racquet Club.

The ongoing mission of EFC is to build a relationship between local public schools and the community to raise money to supplement the educational resources in the classrooms. This year, with the generous support of businesses like yours, over \$35,000 was granted to our schools to provide much needed supplies to enhance the learning environment. Following is a sampling of what each school received:

- **Tesoro High School** – Equipment for Special Education, Supplies for Intertidal Research Lab for Marine Ecology, A/V equipment for TV Broadcast and Journalism class, plants for Long-Term Native Plant Restoration Project, guitar class supplies, and a document projector
- **Las Flores Elementary School** – Flexible seating, Chromebooks and Cart
- **Las Flores Middle School**- Flexible seating, marimba, iPad, projector
- **Tijeras Creek Elementary School** – Chromebook Mobile Lab, classroom amplification
- **Arroyo Vista School** – Infant simulators, technology for music classes
- **Wagon Wheel Elementary School** – Sphero robots and accessories to learn coding, flexible seating, a sound system, Chromebooks and Cart
- **Esencia School** PE equipment, STEAM (STEM with Art) Centers, and Ozobots

Your involvement in helping fund our program and improve the educational process is priceless. You can help by sponsoring at whatever level works best for you, by donating an auction item, or placing an ad in our event program. In the past 20 years, EFC has donated over \$1.9 million to support the Tesoro Family of Schools. An all-volunteer-board runs this 503c public foundation, with all funds raised going directly into classes.

We look forward to working together to help our schools. In the meantime, if you have any questions, comments or concerns, please contact us at [info@educationforthechildren.org](mailto:info@educationforthechildren.org), [sponsors@educationforthechildren.org](mailto:sponsors@educationforthechildren.org), or [auction@educationforthechildren.org](mailto:auction@educationforthechildren.org).

Thank you for your consideration and participation. I have included our sponsorship opportunities with this letter. We look forward to seeing you April 27!

With appreciation,

Education for the Children
