Student of the Month

D.I. Hall

Our W.E.E. Care has been very busy this past month and we plan on having a busy month of October as well. As the season changes we will be learning why and how it happens. We will be able to understand why God makes the changes and what wonderful things come along with the autumn season. If you go outside with your child let your child describe some of the changes that he or she observes or feels.

We have been to the Cherryville Library and the Cherryville Fire Department. This month we will go to the library again and have some fun at the Fun Factory in Lincolnton. Also we have a fall festival and little spooks parade on the 28th. Please allow your children to dress up for this day! We will be decorating treat bags for the parade and festival!

Fall Leaves

*One is orange,
Two are blue,
Three look yellow,
On the ground*

*Three are green,
Two bright red,
One just fell,
Upon my head.*
