Dear Crafter,

Thank you for your interest in the Daniel Boone Optimist Club Craft Show(s)

We organize two indoor craft shows every year that are held at the Daniel Boone Middle School located at 1845 Weavertown Road in Douglassville, PA 19518.

The spring show is a one-day show, scheduled on a Saturday from 9:00 AM to 3:00 PM. The date of the show varies from year to year depending on the Spring/Easter calendar.

The December show is always scheduled for the first full weekend in December. It is a two-day show held on Saturday and Sunday from 9:00 AM to 3:00PM. Crafters are required to participate both days. We do allow set-up on Friday evening for both shows.

We are always interested in welcoming new quality crafters. Our policy is to give crafters from the previous year the first chance to return. The remaining spaces are then filled with new crafters from the waiting list. The waiting list is not on a first come first serve basis. Rather, we base acceptance on the need for the craft, the quality of the crafter and the uniqueness of the craft. This allows us to continue to run highly regarded shows.

The standard space size is 12ft. X 5ft. Space sizes are also available in 6ft. and 18 ft. (All spaces are 5 ft. deep). The cost of a 12 ft. space for the two day show in December is \$80.00 and \$40.00 for the one day show in spring. A 6 ft. space is half the amount. Electric is available in some locations, but cannot be guaranteed. (Price subject to change.)

We are happy that you want to participate and would be glad to consider you for the shows. **We are only interested in crafts that are hand-made by you. We do not accept** crafters that are buying and reselling any items. Please send us a detailed description of your craft and a few pictures. The picture(s) help us in our selection process and with space assignments. Also indicate in your letter which show(s) you are interested in, if you cannot accept a space without electric, and the space size(s) that would be acceptable. Do not send any money with your information. You will receive a separate application if you are accepted into the show. Your information will be kept active on the wait list for two years.

If you would like the pictures returned, please enclose a self addressed stamped envelope. However, it does help the selection process if we may keep the pictures until you are placed in the show.

We will look forward to hearing from you. You may mail the information to the address below or preferably enter your pictures and information at danielbooneoptimist.com/crafters.html Please send the information by February 15th for consideration for the Spring show and August 15th for the December show.

Thank you,
Craft Show Committee
