

Free, Family-friendly Community Walk @ EPCAL Saturday, April 27th at 2pm

For all our neighbors- strollers, bicycles, all ages and abilities welcome! Come see what we are at risk of losing if this land is sold ...join us for a guided walk along the Veterans Bike Path to celebrate Earth Day and see our vulnerable backyard. We will gather at the bike path's 8 mile marker trailhead just West of Line Road- across from Prestons Pond (GPS 601 Grumman Blvd. Calverton) for a shy mile adventure past a vernal pond, old-growth trees and rare grasslands. All also welcome at 1 pm at Bean and Bagel (4426 Middle Country Rd, Calverton) for Meet and Greet beforehand. Please use tick precautions (although we will be on pavement) and carry in/carry out any belongings. If more than a drizzle- all details the same for 4/28. EPCALwatch@gmail.com for info.
