

SWIM TEAM SPONSOR BANNER POLICY

In accordance with the recommendation of the Plantations II Piranhas Swim Team, the Plantations II Pool Committee, and approved by the Plantations II Board of Directors on March 11, 2009, the following are the guidelines for the placement of Swim Team Sponsor Banners:

The banners may be affixed to the pool fence using plastic ties/cable ties and facing inward towards the pool only. All efforts should be made to place banners evenly and level.

1. The banners shall be vinyl or some other durable material which will not shred.
2. The banners shall measure no greater than 30 inches by 48 inches.
3. The banners may be affixed from the opening of the swimming pool, throughout the swim team season, until the official close of the Montgomery County Swim League (MCSL) season, typically the first weekend in August.
4. The banners should not be affixed to the entrance gate, except on a temporary basis such as during home swim meets.
5. The banners should also not be affixed near the bathroom entrances or outside the pool area.
6. Only swim team personnel are allowed to attach and/or remove banners.
