

## **POSITION:**

Board Certified Behavior Analyst (BCBA)

## **BACKGROUND:**

Boost! Learning and Behavior Therapy is seeking BCBA's for direct service in NEW YORK CITY and BROOKLYN for Home and School-based cases.

We are a small and growing ABA company that provides excellent supervision, a supportive working environment and competitive pay. This is wonderful opportunity to **gain experience and supervision in the Big Apple** and potential to grow with the company! For more information on Boost! Learning and Behavior Therapy please visit [www.boostABA.com](http://www.boostABA.com) and email your resume/CV directly to [info@boostABA.com](mailto:info@boostABA.com)

## **RESPONSIBILITIES:**

- Provide direct ABA to young children with Autism
- Collect daily data and graph
- Conduct and update ABLLS-R and VB-MAPP
- Complete daily paperwork/notes
- Communicate regularly with other team members
- Communicate regularly with parents
- Attend team meetings outside of ABA sessions
- Active participation in supervision/ consultation sessions
- Work alongside case supervisor
- Demonstrate professionalism
- Maintain confidentiality of clients

## **QUALIFICATIONS:**

- Master's in ABA, Special Education or Social Work
- BCBA ( LBA's encouraged to apply)
- Experience in special education, behavior analysis and/or working with individuals with autism
- Solid understanding of child development
- Excellent time management, writing and communication skills
- Familiar with ABLLS-R and/or VB-MAPP
