There was much discussion regarding the current No-Wake Ordinance, permits, enforcement and pervious survey results. Throughout the meeting the board established with all present, that this was only a regular town board meeting and not a noticed public hearing, therefore public comment would be limited to those on the agenda and the citizen's comments area. The board recognized the issues at hand, but felt that more investigation was necessary and possibly a new survey.

Tressa presented the Treasurer's Report.

Correspondence: Email from Jim Zach—mentioned receipt, but was not read aloud since Mr. Zach also signed up for citizen's comments.

Plan Commission/Variance Report: No written report from Greg Baas.
