

## PROPOSED SHARE CONSOLIDATION

May 12, 2015—Calgary, Alberta-Tanager Energy Inc. (“Tanager” or the “Corporation”) announces that the Corporation’s board of directors (the “Board”) has unanimously approved the consolidation of the Corporation’s issued and outstanding common shares on the basis of one (1) post- consolidation common share for every five (5) pre-consolidation common shares issued and outstanding (the “Consolidation”). The shareholders of the Corporation (the “Shareholders”) will be asked to approve the Consolidation at the Annual General and Special Meeting of the Shareholders to be held in Calgary, Alberta at the offices of Davis LLP, Livingston Place West, Suite 1000, 250 – 2nd Street S.W. on June 23, 2015.

The Board and management of the Corporation believe the Consolidation is best interests of the Shareholders as it may lead to increased interest by a wider audience of potential investors and could better position the Corporation to obtain financing and pursue acquisition opportunities. The Consolidation is expected to increase the nominal value of Tanager shares and reduce the total number of shares issued and outstanding. The Consolidation is expected to bring about a corresponding upward adjustment in the trading price of the Corporation’s shares on the Stock Exchange.

As of the date of this news release, Tanager has 55,410,968 common shares issued and outstanding. After giving effect to the Consolidation, Tanager will have approximately 10,782,219 common shares issued and outstanding. The Corporation does not intend to change its name in connection with the Consolidation. The Consolidation remains subject to the approval of the Shareholders and of the TSX Venture Exchange (the “TSXV”).
