Phone Registration: Call us at 260-225-5327 to enroll for classes.

Auto pay = Auto enroll

We now offer a convenient auto pay option through Square. Save a credit/debit card online through Square and your child's tuition will automatically be withdrawn on the 15th of each month for the following month. Your child's spot in his/her class will automatically be held through the auto pay option. Please complete a credit card authorization form for this option. We will not hold spots with session-to-session payments unless tuition is paid by the posted due dates. We recommend signing up as early as possible to ensure your child's spot in his/her class. In the event that you would like to withdraw from classes, and you have signed up for the auto pay option, please notify the office, in writing, a minimum of 10 business days in advance of the monthly automatic withdraw. Note: Some class sessions do not end precisely with the end of a month so you may be asked to pay the difference.
