A man and a woman are painting a wall in a room. The man is standing and holding a long yellow paintbrush, while the woman is kneeling and smiling. There are cardboard boxes on the floor and a can of blue paint in the foreground.

## YOU ARE IN CONTROL!

Flexibility is important in life. Signature Guaranteed UL puts you in charge of your policy so that you can:

- ✓ Customize the length of your guaranteed death benefit
- ✓ Select the amount of coverage you need
- ✓ Cash out the policy at later specified dates if your needs change
- ✓ Help ease financial strain by accelerating the death benefit in the event of a qualifying health condition
- ✓ Tailor your policy with other optional additional riders

# GUARANTEED DEATH BENEFIT

Signature Guaranteed UL is an individual universal life insurance policy that will provide a guaranteed death benefit, assuming that all premiums have been paid as scheduled. You can select a guarantee length from age 95 to 121 to ensure you do not outlive your policy. Signature Guaranteed UL will pay a tax-free death benefit directly to your named beneficiary to help replace your income, take care of final expenses, and meet your financial promises.

## SPECIAL FEATURE: LATE PAYMENT FORGIVENESS

Your Signature Guaranteed UL policy has late payment forgiveness which allows premiums to be paid up to one full month beyond the monthly deduction billing date without negatively affecting the lapse date. This feature prevents the projected lapse date from decreasing due to late payments here and there.

# YOUR POLICY, YOUR WAY

Determine the face amount and duration of coverage that best suits your needs. Whether you only need coverage to a certain age or a guarantee that can last a lifetime<sup>1</sup>, Signature Guaranteed UL is dialable and allows you to select the guarantees that work for you.

As long as the premiums are paid as scheduled and policy loans or partial withdrawals are not taken, the death benefit will be guaranteed to the age that you selected.

## DIAL THE GUARANTEE THAT WORKS FOR YOU

Once you have identified your insurance needs and goals, you can dial your personal combination of: death benefit level, guarantee length<sup>2</sup>, and premiums.

The choices you make all impact the others. For example, if you desire a lower premium, you may need to shorten the length of your guarantee period or reduce your death benefit.

<sup>1</sup>Policy will mature at age 121. <sup>2</sup> Coverage beyond the chosen guaranteed length will require premium payments significantly higher than your level planned premium. During the first 10 policy years, if policy debt exceeds Surrender Value, the 10-year Minimum Premium Guarantee will not prevent lapse. After the 10th policy year any amount of debt will negate the No-Lapse Guarantee against lapse.

# GUARANTEED CASH-OUT RIDER

Life doesn't always go as planned. If your circumstances change or you no longer need life insurance, the Guaranteed Cash-Out Rider may be your way to restore financial stability. On the 15th, 20th and 25th policy anniversaries, the rider allows you to fully surrender your policy and receive a partial or full return of your premiums paid.

The amount of your Cash-Out Benefit will depend on which of the two amounts below is lower. At each option period, the Guaranteed Cash-Out Value will be the lesser of<sup>1</sup>:

1. A percentage of premiums paid **OR**
2. The benefit maximum, which is a percentage of the death benefit

	DEATH BENEFITS BETWEEN \$25,000 - \$250,000:			DEATH BENEFITS OVER \$250,000:		
	15TH YEAR	20TH YEAR	25TH YEAR	15TH YEAR	20TH YEAR	25TH YEAR
PERCENTAGE OF PREMIUMS PAID	 50%	 100%	 100%	 65%	 100%	 100%
	<b>UP TO</b>			<b>UP TO</b>		
CASH-OUT BENEFIT MAXIMUM	 45% OF DEATH BENEFIT			 65% OF DEATH BENEFIT		

<sup>1</sup>If premium is paid that exceeds the planned premium, the cash surrender value may exceed the Cash-Out Value and in that case the higher value will be paid.

# HYPOTHETICAL EXAMPLE

If John, a 65 year old non-smoker, purchased a \$500,000 Signature Guaranteed UL with a guarantee to age 105, he might expect to receive the following:

	TOTAL PREMIUMS PAID:	PERCENT OF PREMIUMS PAID	CASH-OUT BENEFIT MAXIMUM
Year 15	\$202,508	65% = \$131,630	65% of death benefit = \$325,000
Year 20	\$270,010	100% = \$270,010	65% of death benefit = \$325,000
Year 25	\$337,513	100% = \$337,513	65% of death benefit = \$325,000

In each option period, the green highlighted boxes represent the benefit amount, which will always be the lower of either the percentage of premiums paid or the cash-out benefit maximum.

## RIDER DETAILS

- You may only choose to Cash-Out during the 60 day period following the 15th, 20th, or 25th policy anniversary
- Added to the policy for no additional premium for issue ages 18-70<sup>2</sup>

## THE AMERICAN NATIONAL STORY

Chartered on March 17, 1905, by American National Insurance Company's founder, W. L. Moody Jr., the company began operations with \$100,000 of capital and \$20,000 surplus. Following a conservative investment philosophy, Mr. Moody believed that profits should finance future growth, so the company did not pay dividends to investors in those early years. Mr. Moody envisioned a company that would flourish for centuries. His conservative business approach created a unique corporate culture that remains the heart of the company today.

American National Life Insurance Company of New York, a wholly-owned subsidiary of American National Insurance Company, was incorporated under the laws of New York in October 2009 and is only licensed to business in New York.

This culture has helped American National persevere through wars, hurricanes, economic volatility, extraordinary technological advancements, evolving products, and the changing needs of contract holders and agents. American National remains financially strong and will continue to manage its business respecting the conservative principles of its founder, driven by its corporate vision to be a leading provider of financial services for current and future generations.

## SOME FINAL CONSIDERATIONS:

The foregoing is neither a contract of insurance, nor an offer to contract, but is a general description of benefits available under a contract providing the benefits outlined. This policy does have limitations.

Expenses, cost of insurance, and interest credited are all explained in your contract. In addition, you will receive a detailed annual report showing all the transactions which occurred in your contract during the year, including the beginning accumulation value, premiums paid, expense charges, cost of insurance deducted, interest credited, and any loans taken during the contract year, and the ending balance.

Only through a general review of your specific situation can it be determined if there are tax advantages available to you through American National's products, one of which is life insurance.

Proceeds from life insurance paid because of the death of the insured are generally excludable from the beneficiary's gross income for tax purposes (IRC Sec. 101(a)(1)). You should consult your tax and legal advisors on the impact to your specific situation.
