Please fill out a visitor's form and drop it in the collection box.

Please do not hesitate to ask any of our members for assistance.

Please join us for Sunday evening service at 6:00 pm. First Sunday is always set aside as a special evening of prayer.

Wednesday 6:00 PM devotional classes. Free conference call. Phone number and access code to dial in is listed in the bulletin.

Website: murphychurchofchrist.com

The bulletin is posted on the website and hard copies are in the foyer for members and visitors. Be sure to check out the website for articles by Roy Goodlet. The church's Facebook page also contains the morning worship sermons.

Where Our Fears Live

We serve a God who is mightier than the struggles we inherit and who is full of the desire to forgive, love, and heal the brokenness that rise up between us and Him. God is present in the places where our fears live. (Psalm 56:3)

Let us pray. . .

Father, make Yourself know to us in our weakest moments and in our greatest fears. Teach us to receive Your love in a way that enables us to show it to others, especially those closest to us.

- Keep Wayne, Nell and his parents in your prayers during this difficult time. Wayne is under hospice care, he has impaired vision and is slowly getting weaker due to the progression of the brain cancer complicated by the medications he takes to help keep him comfortable, but he remains in good spirit.

Mineral Bluff, GA 30559

- Sandy Parmer's friend Betty Rivers is bed ridden in a nursing home in Alabama. She asked that we add the following to the prayer list: Ramona Vance, Barry Winslow, and Robert's brother, Harold Parmer.
- Mindy Scaffa had surgery for knee replacement on March 4th. She has a long rehab. ahead to help her learn how to walk using her new knee. Last week she was having flu-like symptoms.
- Lee Sanders is seeing a heart specialist. He continues to have health issues and ask for our continued prayers.
- Richard Brenner was able to worship with us last Sunday. He hasn't been feeling well and the doctor is trying different interventions to relieve his back pain. We pray he gets better soon.
- Jim and Sybil Eubanks were quarantining at home after Jim tested positive for Covid-19 on March 29th. He developed pneumonia and had to be admitted to the hospital because of

low oxygen level. He is better and back home with Sybil and his daughter Jody quarantined.

- Darlene Queen was admitted to the local hospital ICU for evaluation of multiple TIA. They are trying to manage her blood pressure. She was released from the hospital and is recovering at home.
- Darlene requested prayers for Tom Dean, a co-worker of Jerry, who has cancer.
- Michelle Dockery, daughter of Jerry and Darlene Queen, had bone spurs removed from her knee, and is confined to home for three weeks.
- We are all in need of prayers as we manage our daily lives during these uncertain times in America and around the world and personal health issues.

REACH, Inc. – Community Project

The ladies made a commitment to supply the Cherokee County domestic violence shelter with cleaning supplies and laundry detergent. Staff has requested hair shampoo and conditioners, hair bands and clips and nail polish. Many have never been to a salon and this helps to boost their self-esteem. Adult coloring books and 500 or smaller piece puzzles help them emotionally. **Please do not forget them when you are out shopping.** If you have items of clothing (clean and in good condition), children's books, etc. to donate please place them in the bin provided in the pantry area or you can take them to the REACH office located behind the thrift store on HWY 64. We can always use some small tote bags and small travel size items to fill them with, e.g. combs, hand sanitizer, toothbrush, travel size toothpaste, deodorant, etc. Recommended size for the tote bags is 9"X9" but they can be a little larger. Put them on the table in the pantry and we will fill them as time permits.

Please contact the Thrift Store if you have furniture you want to donate and arrange pickup. They also asked for some cooking utensils for helping them start over. So, if you have something you no longer want, they could use them. Often the victims leave home with only the clothes on their back, so they are given clothes, furniture, and items for the home from the Thrift Store until they can get back on their feet.

They can always use volunteers to help with some of their community

outreach activities and local fundraiser events. Call the office at 828-837-2097 or 828-837-8064 for more information.

Pantry Items

We need your help to restock our pantry. If no family or individual has made a special request; then, at the end of each month Lula pulls items off the shelves and take them to the Cherokee County Food Bank, Inc. in Andrews since they have access to the Cherokee County community at-large and average about 100 clients a week but has seen a three-fold increase in need during the COVID-19 pandemic and increase in unemployment. **NOTE: We give out food only if someone is here when an individual comes to the church or special arrangements have been made to meet someone.**

The food bank is open to the public on Tuesdays and Saturdays from 10-12. They have requested empty dozen size egg cartons so they can divide the large crates of eggs they receive from other organizations and from people who raise chickens.

Toys for Tots

If you wish to continue to donate throughout the year or get more involved contact the local coordinator for Cherokee County, Barbara Hudson at barbarahudson727@gmail.com for more information or visit the Toys for Tots website. Look for special sales throughout the year.

We received a beautiful thank you plaque that is hung on the wall in the entry way. Please take time to check it out.

Wayne's Outreach Ministries

If there are folks who would like to participate in the prison ministry, please contact Nell, she can share contact information with you. Wayne was the only person that some of these men had reaching out to them. They are sending some amazing words of encouragement as well as telling Wayne about the positive impact he has been on them. At Wayne's request, Nell will be continuing to correspond with some of these men since they truly have no one else. Let her know if you have any questions.

Wayne was also active with World Bible Study and had several people he was corresponding with. If you need help getting started with WBS (World Bible Study) or know someone who has indicated an interest in WBS, please contact Roy Stephenson.

Sunday Morning Bible Study at 10:00 am.

The **spring issue** of our Adult Bible Study will be the **Thessalonian Letters**. Please pick up a copy off the table in the back of the church. Please don't forget to bring your Bible and your questions.

6:00 PM Wednesday Bible Study

Some have indicated they are not comfortable traveling at night because of multiple curves in the roads and poor lighting that make driving at night hazardous.

In order, to increase participation and avoid members having to travel at night, we are conducting Bible Studies via a phone conference call! It is as easy as calling your friends or family. **A few minutes before 6:00, dial 1-425-436-6324. You will be asked for your access code. Dial 5155915#. Identify yourself after you dial in and place your phone on mute. Remember to take the phone off mute if you have question or want to make a comment.** If you have a topic, you would like presented, please let Roy Stephenson know.
