## CFI. CFII. MEI.

## AUSTIN HEEDE

0

Austin Heede is a Certified Flight Instructor, Certified Flight Instructor – Instrument, and Multi Engine Instructor. He has 600+ total hours and is building more time and experience daily. Austin has trained throughout the United States but primarily in California with ATP Flight School. In addition to his Flight Instructor experience, he also has experience with chartering multi engine aircraft.

Austin – "When I'm not at work you'll find me either surfing or skiing."
