NEW POOL AND RESTROOM / SHOWER FACILITY CONSTRUCTION

Construction will begin on a new outdoor pool and restroom/shower facility in Town Park (near the Information Center) in August 2014 and continue through the closure of the Campground in October. The campground restroom/shower facility will remain open during this time.

Construction areas will be fenced and campers should anticipate construction traffic and noise in that area of Town Park, including around the tennis and volleyball courts.

We apologize for any inconvenience and we thank you for your patience during this important facility upgrade.
