

SUN LAKES SENIOR SOFTBALL ASSOCIATION  
POLICY REGARDING USE OF FIELD OF DREAMS  
FOR NON-SLSSA FUNCTIONS

It is the policy of the SLSSA to allow members of the Association to use the Field of Dreams for certain non-league and non-recreational program purposes.

An Association member may contact the Board member in charge of field scheduling to request access to the field. If available, the field may be used under the following circumstances:

1. For games against outside teams, one team must be comprised entirely of SLSSA and/or travel team members. (Exception: Approved tournaments will obviously include games between non-member teams.)
2. Only SLSSA and travel team members may participate in recreational play such as batting practice and pick-up games except as described in the Guest Player Policy.
3. In all situations, the SLSSA member requesting permission to use the field is responsible for obtaining appropriate team waivers, locking the field and gates after use, and insuring that the field, restrooms and clubhouse areas are cleaned.

Approved by the Board of Directors, May 31, 2011
