## 2013 Assignments

**November - Fall Color in the Landscape:** An image of fall color in the natural world (meaning the world that does not show the handiwork of humans). Color only. For obvious reasons.

## Buying and Selling

Canon 5D Mark II Excellent Condition (body only) for \$1500.00.  
Canon 28-135mm f/3.5-5.6 IS USM Lens - lightly used for \$275.00 original box with a Hoya HMC 72mm UV(O) filter. Original owner for both. This is a full frame camera with a 21.1 Megapixel sensor. I purchased the camera from Infocus in Orange, TX on 8 / 2010. The shutter actuation count is 81,675. On 7/15/13 I had the sensor cleaned and body cleaned and checked by Precision Camera in Austin, TX - I have receipt. The camera comes with the original box, Body Cap, Battery Pack, Battery Charger, EOS Digital Solution Disk, Software Instruction Manual Disk, Interface and Stereo Video Cables, unused wide Canon Strap and Instruction Manual and CD-ROM Guide. I will include 2 additional Field Guide books. The LCD has a Giottos Screen Protector on it.

## Austin Shutterbug Club Meeting Minutes August 6, 2013

President Brian Loflin called the meeting to order at 7:00 pm, and visitors for the evening were introduced.

Brian explained to attendees that this evening was the Evaluation & Critique portion from the July meeting. It was scheduled for the Fourth and the meeting was not held because of the holiday. The competition subject was an "Informal Portrait in True Blackand White".

Refreshment Co-Chairs Beverly McCranie and Beverly Lyle reported that members Deborah Eaton and Reza Linardi provided refreshments. Volunteers are needed for the September meeting.

Paul Munch, Treasurer of the club, reported \$2,459.93 in the Treasury. He passed the envelope around for those who were interested in joining or who had changes to their contact information. Membership dues are cut in half for the remainder of 2013.

A short program was presented by Kathy McCall and Rose Epps. It was a slide show of their adventures in the Upper Peninsula of Michigan in October of 2012, searching for the aurora borealis. They were able to photograph it only one night, but found lots of other subjects to photograph, including fall foliage.

After the program, Brian announced that the coming Saturday from 9-12 a table top still life photo workshop would be held with four different setups with various types of lighting. Those members attending should bring their cameras and tripods.

On Saturday, September 7, a workshop will be held from 9-1:30 with refreshments and a catered lunch. There will be models for studio photography--both formal and informal--indoors and outdoors. Specifics will be provided before the September meeting with a follow up email. It will be held near Lakeline Mall, and there will be a small fee for lunch from Jason's Deli.

Brian will start teaching UT Informal Classes again on September 9. Interested persons should check the UT Informal Class website.

The results of the July Evaluation and Critique were presented, starting with the Assignment category and continuing with General.

At the conclusion of the meeting Brian reminded members of the Saturday workshop. The next meeting will be September 5 and the assignment subject for Evaluation and Critique is "Recreation at a State or National Park."

The meeting adjourned at 8:35 pm.
