Concessions Stand Directions for Varsity Games

Please have the concession stand opened by 5:00 p.m. and close the concession stand at the conclusion of the varsity game (approximately 8:45 p.m.). You will need two shifts of 4-6 parents/players. One shift will run from 5:00-7:00 p.m. and the second shift will run from 7:00 p.m. to the conclusion of the varsity game. **Notice that some games have earlier start times so adjust the worker schedule start times accordingly.**

A representative from the Jacket Hoop Boosters will be there at approximately 4:30 p.m. to get the concession stand started—getting popcorn popped, hot dogs started, etc.

Beyond sales, **clean up and counting the money for deposit** will need to be completed after the concession stand closes. Please have two adults count the money for deposit. A representative from the boosters will take the completed deposit at the end of the night.

Thank you for your help. The concession stand is one of our biggest fundraisers and one of the main reasons our fees are so low in comparison to surrounding communities.
