The event host will then be sent an email saying you are planning on going.

IMPORTANT:

If you have registered for an event and something comes up, that's okay—just send us an email or leave us a message at the office so we can have an accurate count of who we can expect. We know life happens, but when we are reserving space at a restaurant or any other venue with limited seating, proper registration makes the process work far more smoothly.

Thank you in advance for your cooperation!
