Protect Nevada Children's fact-based 30 minute PowerPoint presentation includes the following topics:

- Who your child's Personally Identifiable Information can be shared with and who it does NOT belong to
- Some of the companies who will get raw SBAC data on your child, and what they will likely do with it, IF your child takes the SBAC test
- Why schools, and school districts, won't tell you that you can opt-out of the SBAC
- NV's new cradle-to-grave tracking system of your child
- How 1:1 devices facilitate SDM
- And much more...
