FULL PAYMENT IS DUE AT THE TIME OF SERVICE

All co-payments, co-insurance, and deductibles are due at the time of service, prior to seeing the provider. We accept cash, checks, Visa, Mastercard, Amex and Discover. Additionally, you will be asked for a credit card at the time you check-in. We will scan the card in our system, and the information will be held securely until your insurance has paid their portion and notified us any additional amount owed by you. At that time, you will receive a notification that the remaining balance owed will be charged to your credit card. Please note that there is a \$35.00 fee for returned checks.

INFORMATION REGARDING INSURANCE

Contracted Insurance Plans: Although we have contracted with your insurance company to provide care to their clients, your insurance policy is a contract between you and your insurance company. All co-pays, deductibles and co-insurance percentages are due prior to treatment. Payment for the visit is your responsibility. It is also your responsibility to ensure that you obtain an insurance referral from your primary care physician if one is required. If you are treated without a referral, you will be responsible for the charges incurred. If we do not have the updated insurance information at the time of the appointment you will be responsible for the entire visit, and you must submit to your insurance company for reimbursement.

Non-Contracted Insurance Plans: We are not contracted with Medicare or any form of (MA) medical assistance and will not bill MA or Medicare. You are responsible for payment of all services rendered whether covered by insurance or not. For non-contracted commercial insurance plans, to assist you, we will bill your commercial insurance company. If we don't have your updated insurance information on file at the time of your visit, you will be responsible to pay all costs and you must submit to your insurance company for reimbursement. Your insurance policy is a contract between you and your insurance company. We are not a party to that contract.

Non-covered services: Please be aware that some – perhaps all – of the services or diagnoses you receive may be non-covered or not considered reasonable or necessary by your insurance company. This includes, in accordance with AMA CPT guidelines, we reserve the right to charge for telephone/video calls, after business hours/weekend appointments with Dr. Boo that include evaluation and management of your medical condition. We will bill your insurance for such charges, but if it is not covered by your plan, you will be responsible for the charges. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates.
