

Pregnancy Consent Form

Tower Radiology requires all women of child bearing ages 12 – 60 years old to complete the Pregnancy Consent Form. Examinations of CT and X-Ray utilize radiation and can be harmful if performed during certain stages of pregnancy. We apologize for the personal nature of these questions, but it is very important that we know if there is any chance you may be pregnant before we obtain x-rays, CT scans or administer diagnostic iodinated contrast agents.

Name _____

Beginning Date of Last Menstrual Cycle _____

 I AM NOT PREGNANT

Hysterectomy	YES	NO
Both Ovaries Removed	YES	NO
Menopause	YES	NO
Less than 10 Days since First Day of Last Menstrual Period	YES	NO
If your last menstrual cycle was more than 10 days ago:		
Have you been sexual active:	YES	NO
