<p>Enrolling your dog at our Doggy Daycare will make them happier and healthier!</p> <p>👑 At Doggy Daycare they will get EXERCISE, which decreases anxiety, instills confidence, and can help your pet age well!</p> <p><i>"Physical activity everyday can positively impact a dog's joint health, digestive health, and insulin regulation."</i></p> <p>👑 Doggy Daycare REDUCES SEPARATION ANXIETY!</p> <p><i>When left alone all day, your dog may grow stressed as the hours pass and turn to destructive behavior.</i></p> <p>👑 At Doggy Daycare they will get opportunities to SOCIALIZE with others!</p> <p><i>Because dogs are pack animals, they thrive off socializing!</i></p> <p>Doggy Daycare is an investment in your dogs overall well-being! Taking your dog to Doggy Daycare two to three times a week can help provide exercise, adequate social time, and mental stimulation!</p>	<p>Getting your dog groomed on a regular basis not only makes for a clean-smelling companion, it also helps keep your dog more comfortable and healthy!</p> <p>👑 Maintaining a MAT-FREE COAT keeps your dog healthy and comfortable!</p> <p><i>The hair coat naturally tends to get small tangles in it from your pet's everyday activity. The small tangles get snarled together, and dead, shedding hair and debris get caught in the snarl. As the mat gets bigger, hair from farther and farther away from the original site becomes entangled and pulls on tender skin, causing the animal discomfort.</i></p> <p>👑 Getting your dog groomed is an opportunity to SPOT OTHER HEALTH PROBLEMS AND ADDRESS FLEAS/TICKS!</p> <p>👑 Regular grooming of your dog REDUCES ALLERGENS IN YOUR HOME!</p> <p>At Lucky Dog all of our baths and hair cuts include: shampoo, conditioner, brush out, cleaning of the ears, and a nail trim!</p>	<p>One-on-One Time with a staff member for 10 minute increments can be extremely beneficial to your dog during their visit to Lucky Dog!</p> <p>👑 Our staff can MEET YOUR DOGS INDIVIDUAL NEEDS by: playing fetch in our large grass yard, cuddling and petting your dog, taking them for a walk.</p> <p>👑 One-on-One attention from a human companion REDUCES STRESS! When your dog is less stressed he will eat better and is less likely to contract a contagious illness.</p> <p>👑 Is particularly beneficial to those dogs who are not being socialized with other dogs. It is an OPPORTUNITY FOR EXERCISE AND SOCIALIZATION!</p> <p>Help us meet all of your dog's needs, schedule a One-on-One time today!</p>	<p>Our custom built doggie pool is a fun way to get your dog more exercise! If your dog is social they can even join in on a pool party!</p> <p>👑 OUR POOL IS JUST PLAIN FUN! Does your dog love swimming? Add a pool time to their stay at Lucky Dog!</p> <p>👑 Our pool parties (for social dogs) is another opportunity for your dog to socialize with others!</p> <p><i>Because dogs are pack animals, they thrive off socializing!</i></p> <p>👑 Playing in the pool is fun but it's also great EXERCISE!
