

**PENNSCYPAA Advisory Council Call-in Meeting Minutes for
Sunday, March 11th at 11:00AM.**

Meeting called to order 11:00am.

Attendance:

Present: Jessi, Jon C., Elizabeth, Jill, Bob, Kristi, Ryan, Trish

Absent: Sean, John R., Russ, Elise, Andy, Frank, Chris

General Notes:

- Kristi will be heading out to Philadelphia and wants to get in contact with the Chester County. Looking for contact information which Trish provided.
- Elizabeth was in contact with Wilkes Barre. They are doing fine and no help was needed.
- Bob will be following up with Reading to get an update.
- Jon talked to Jonas from State College. Jonas reached out to Sean and John R. for help with setting up bank account.
- Jessi wants to know if Pamphlet was updated with new email address. Jill will send Jessi updated pamphlet to make copies.
- Jessi was in contact with ICYPAA. They want to put up informational videos of people who are involved in YPAA across the state. They are looking for feedback on this topic. If you have any feedback about this email Jessi. One suggestion would be to cover people's faces by putting Unicorn Mask on their head.
- Suggestion by both Kristi and Jill to put a friendlier blurb on the website to explain what we do.
- Elizabeth said Brigham from Bethlehem sent both of the checks to Jon.
- Jill said Pittsburgh should have the money to John within in the next few weeks.

Host Committee Discussion Notes:

- Cumberland's housing information on FaceBook found it to be complicated. Concern is others may not understand either and will result in low attendance for CV conference.
- Jessi reached out to Tara to see how things were going but will be in contact again to go over this housing information.
- Ryan offered to help Jeff with housing but Jeff said he would be fine.
- We will continue to be available if they need help.
- Jessi will need to confirm date and time for walk through meeting. May 20th was the last we heard from Host Committee. Jessi will confirm this and email the group.

Meeting Adjourned at 11:35am.
