

******* Highland County Fair wins Best in Show *******

On January, 3-5, 2019, the Omni Homestead hosted the annual Virginia Association of Fairs Conference, which gives each fair an opportunity to showcase their event's promotional endeavors, such as posters, best theme display, scrapbooks, websites, premium books, radio announcements, news articles, and more.

For the first time, Highland County Fair was awarded a blue ribbon award and a Best in Show award for the 2018 Fair Premium Guide.

In addition to this, Highland County Fair received a red ribbon award for its scrapbook and its website.

Woohoo!
