MONTHLY GREASE INTERCEPTOR PUMPING AND MAINTENANCE RECORD

INSTRUCTIONS: To be filled out by the Food Service Establishment (FSE) and returned to the Sanitary District office monthly. Use this form to record pumping, cleaning, inspection and maintenance of your grease interceptor. Initials on this form acknowledge that the FSE has disposed of its fats, oils and grease (FOG) in a lawful manner, accounts accurately for the volume of FOG disposed of and that the interceptor has been properly inspected and maintained.

NAME OF FOOD PREPARATION ESTABLISHMENT_____
