MAY MEETING INFO

The Alvernia cafeteria will be closed the night of the May meeting. Also, don't miss this one because SDC will be presenting the Scholarship awards to 3 Vo-tech students.

FROM THE PRESIDENT *by Barry Goodhart*

By this time the Corvette covers are off. The corvette is inspected & shinned up and has a few new 2014 miles on the odometer. May starts with many events for SDC members to be involved with, starting with the Rdg/Muhl CTC car show and at least 10 scheduled club events. Check this newsletter for all the details. Albie's trip with 25 corvettes is headed south for his Spring trip adventure! Jack DeLong (SDC's MCM Ambassador) is already down at the museum with club members for the NCM bash kick-off event (April 28 -29). SDC has completed two fund-raisers by way of sitting down and eating at the Texas Road House and the Works. These were organized by the activity committee, with chairman Craig Deyer making final arrangements.

Please attend the May meeting and meet the three SDC scholarship winners, selected by their course instructors. They will be there to accept their check and mention a few words about their future automotive profession. Ted Stal-necker is SDC's 2014 In-Vette-Tational chairman. He has been doing a 24/7 time frame in getting SDC prepared for the 35th. IN-Vette and the 50th SDC anniversary at Oley Fair Grounds. If you can volunteer for a two hour shift give Ted a call.

Don't forget to keep the Vettes shinned up for the June 14th. Father's day show at the Berkshire Mall. There will be a sign up sheet at the May General meeting. Mitch Zeigler needs about 45 to 50 corvette for the SDC display. This event has always had good feedback from the community and also is a nice fund raiser. So please sign up. As always keep your award winning SDC newsletter handy for all the current & future events. As always if you have any idea's or club suggestions get them to the board forreview!!

So SAVE THE WAVE To your corvette friends!

50TH ANNIVERSARY GLASSES

The 50th committee in conjunction with the in-vette committee will be purchasing pint glasses and wine glasses with the 50th Anniversary logo on them. The Committee would like to get a feel for how people would be interested in purchasing these glasses. The two glasses are a std pint glass with a gold rim and a 11oz steamed wine glass with a gold rim.

Both glasses would have the logo in three colors screen printed similar to the photo shown here (the virtual sample does not show the gold rim). Please contact Barry Goodhart (president@skylinedrivecorvettes.org) or 610-589-5194 with how many of which type glass you would like or sign the sheet at the May 12th meeting. **WE NEED ALL PRE ORDERS IN BY MAY 12th** to have them in for the In-vette.

IN-VETTE UPDATE *by Ted Stalnecker*

Important Information

I would like to thank all the people who signed up to volunteer for this year's In-Vette!

We were in need of an extra dose of volunteers at this year's event and the club has risen to the challenge. At the date of this writing, I am only looking to fill TWO spots. We are looking for one person to fill an opening at the gate from 8:30am-10:30am, and one person to fill a parking spot from 2:30pm – 4:30pm. If you have not signed up and could fill one of those two slots please contact me at dcicadet@comcast.net.

We are looking forward to a great sunny day and have heard of many different people with interest in the show from all different directions. If you picked up a color flier please remember to post it on a bulletin board in your area for the public to see. If you are attending shows this spring please remember to take fliers along to hand out.

If you don't have any fliers you can print them off the web by going to our website – www.SkylineDriveCorvettes.org clicking on the application and printing the file. If you would rather print them in black and white to save ink, save the document on your desk top and reopen it, click print and when the print file comes up there should be an option to switch from color to either monochrome or black and white. Or you could email me and ask for a black and white copy for print and I'll send it to you ready to go.

We have just added another community give back time at this years In-Vette. From 2:30pm – 7:00pm the Miller-Keystone Blood bank will be on hand with one of their mobile centers to take blood donations so if your available to donate please do. We will be doing a lot of advertising in print and radio this year so keep your ears and eyes open in the end of May for In-Vette ads.

We are still in need of lottery tickets for the lottery tree and food items for the club basket so please bring them to the May In-Vette meeting. Believe it or not, May will be the last meeting before the In-Vette!

We are having a short meeting the Friday night before the show for all workers. It will be short just to make sure everyone knows what their job will be for Saturday so when the time comes for you to do your shift you know what to do and everything works as smooth as possible.

The leaders of each area will go over their system at 6:30pm and 7:00pm whichever time you can make. It will be at Oley Valley Fairgrounds. Please try and attend we will keep it as short as possible. A lot of the committee will be there most of the day on Friday so if you can't make the evening times just stop in during the day and see the leader of your job. Workers doing registration and parking PLEASE REMEMBER TO BRING YOUR TWO WAY RADIOS. If you don't have one that's OK if most of us bring them we'll have extra.

We are really looking forward to a fun and successful day!

CORVETTE RACING NEWS

First Victory for New Corvette C7.R

Corvette Racing won its first race with the new Chevrolet Corvette C7.R on Saturday April 12th at Long Beach as Antonio Garcia and Jan Magnussen dominated in their No. 3 Corvette to take the GT Le Mans class of the Patrón Sports Car Showcase. The duo led all but one lap and took the checkered flag by 5.408 seconds in the third round of the TUDOR United SportsCar Championship.

Oliver Gavin and Tommy Milner placed third in class in their No. 4 Corvette C7.R. It was the fourth time Corvette Racing placed both of its entries on the podium at Long Beach since 2007. Saturday's victory was the fifth at Long Beach for Corvette Racing. Magnussen qualified on pole position Friday, and Garcia led the entirety of his 41-minute stint - the result of a great start that allowed him to put two slower prototypes between himself and the rest of the class. His lead grew as much as seven seconds before handing off to Magnussen.

The Dane's biggest advantage was 12 seconds during his stint as he won at Long Beach for the second time; Garcia won his first Long Beach race. The No. 4 Corvette gained one position from its fourth-place starting spot. Gavin and the two competing cars in front of him were balked by the slow prototype that Garcia managed to get around on the opening lap. Gavin also fought high tire pressures but still had the fastest race lap in class for most of his stint.

After the driver change to Milner, the young American whittled down the gap to second place from three seconds to a half-second halfway through his stint. He ended the race just 0.273 seconds shy of the runner-up spot. Milner also set the fastest GTLM race lap at 1:18.954 (89.733 mph).

The next round of the TUDOR United SportsCar Championship takes place at Laguna Seca from May 3-4.
