

## Change for CHANGE!

What's a penny worth these days? Or a nickel or a dime? Our culture may not place much value on spare change, but at Hope Center we know its worth: **YOUR** change **CHANGES** the **LIVES** of women, men and babies! Our annual Baby Bottle Drive is a chance for **YOU** to do what we do every day: take something that many people find of little value, and turn it into something of great worth in the Kingdom of God. And all you have to do is collect your spare change in a baby bottle.

### THREE STEPS TO SAVING & CHANGING LIVES

#### Step 1

Take a bottle.

#### Step 2

Fill with change, cash or checks.

#### Step 3

Return on Collection Day.
