

# TUNING/DYNO/ TRACK DAY DAY PACKAGE MENU

*We provide a variety of Dyno and Tuning options to fit your budget-while still feeding your inner beast.*

---

## DAILY DYNO PACKAGES (NON DYNO DAY'S)-ALL PRICES INCLUDE LICENSE!

---

**Dyno Stage I Mini Set only (Where do you stand?..)** 115

This Stage 1 package includes 2 Dyno baseline runs.

**Dyno Set stage II (Bragging rights)** 550

This stage 2 package consists of 2 Dyno baseline runs, Simple AFR/VE/TIMING tuning and a 3rd and final run to verify and document your results. (Any time you install headers, intake ect-this is the tune to get it right.

**Dyno Set Stage III (Evolution in HP)** 780

This Stage 3 package provides us the opportunity to take our time and set up the car, we will start with 2 baseline runs, fuel and air mapping,optimal temp and idle adjustments, as well as chip modification if necessary. we will then run two more runs, check AND make adjustment we will run a final run and document results.We usually reserve this type of tune for big cam and head porting builds, striving for the most HP in a AFR safe manner.

**Dyno Tuning for HP!(You have the modifications, NOW lets get some HP!!!)**

Utilizing either your supplied management system or ours(We use HP Tuners, SCT, AEM ect) we start with a base tune and build your tune with your cars modification to pull every bit of HP we safely can. \$145.00 Pr Hr Call for your personalized quote! 135.00hr
