

GRIFFONS TEAM DINNERS

Team dinners for the players will be held two times this summer, on Sunday evenings following home games on June 12th and July 24th.

The purpose of team dinners is:

- 1) To build team unity.
- 2) To allow host families/board members an opportunity to interact with all members of the team.
- 3) To give host families a break from meal preparation at least a few nights during the season.

For each meal, the main dish will be provided.

Host families and board members who are interested in helping to provide side dishes or desserts should contact Mark Comensky

at 684-7143.
