

OPEN RECRUITMENT

BUILDING INSPECTOR

Community Development Department

Summary

The City of Geneva Community Development Department Building and Zoning Division is responsible for issuing building permits for all types of new construction projects, as well as certain remodeling and maintenance projects. The Building Inspector is an important member of a customer service driven team that prioritizes safety and works with residents and contractors to keep projects on track. From the dream kitchen to the new restaurant, you'll go behind the scenes to make it all possible. Apply today and make a local impact!

Some of the work you'll do...

- Reviews building plans and complete on-site inspections
- Helps architects, homeowners, and business owners understand important building code requirements
- Investigate complaints and enforce City ordinances
- Organize, maintain, and update permit records

We need someone who...

- Enjoys interacting with people
- Can patiently explain concepts and processes
- Likes to work outside of the Office
- Energetic, motivated and goal oriented
- Doesn't mind getting their hands dirty
- Wants to be part of a Team!

COMPENSATION

Salary Range \$73,862 - \$107,100 hiring range up to \$82,172

APPLICATION DEADLINE

Submit your application by 11:00 P.M. Saturday, December 31st. First review of applications December 19th
