Ms. Rodriguez, Ms. Cavazos,

Thank you so much for giving us the opportunity to present the Third Grade students at Hawthorne Academy with a personal dictionary. We look forward to work with you in the coming years.

Please keep in touch, and send us your experiences regarding "how the students are using their new personal dictionaries"

Regards

We would be more than happy to receive these dictionaries for our third graders. We currently have 82 third graders.

Thank you for your generosity and thinking of our students!

Ms. Rodriguez,
Good Morning,
Ekasila Foundation USA is a registered Nonprofit organization, working towards the education of the young children.

I came to know about your school from Ms. Cathy Cummins of San Antonio Academy.

Ekasila Foundation USA has started a Dictionary Project last year, we have already implemented this project last year in 6 elementary schools in the South San Antonio ISD and this year we are working on distributing more than 800 dictionaries in all the 10 elementary schools in South San Antonio ISD.

We would like to give dictionaries to all the 3rd grade students at the Hawthorne Academy. If you approve of this initiative, please let me know the number of students in 3rd grade at the

Hawthorne Academy. We will order the dictionaries and will be ready for distribution in the second or third week of January.

I certainly hope a personal dictionary for a third grade student will be very helpful in learning the english language.

Please let us know of your decision at the earliest possible.

Thank you
Sincerely
Jaye Gurrala
