12-Day Treks

As the traditional backpacking trek at Philmont, 12-day treks give crews the opportunity to hike for 10 days in the backcountry, with an arrival/departure day in Base Camp on each end of the journey. Crews will be welcomed and accompanied by a Philmont Ranger for their first 3 days, and will participate in program activities throughout their trek. 12-day crews cover 50-120 miles over the course of their trek, and also complete the 3 hours of conservation work necessary to earn the **Philmont Arrowhead Patch**.
