Appeals of cards are not allowed except when the referee admits he made an error in the issuance of the card. Cards issued in league play are cumulative during the entire soccer year. When a player transfers to another team his or her accumulated league play cards count against the cumulative card totals for both his or her old and new teams. Player suspensions mentioned in this section, including automatic suspensions “from all ETSA-sanctioned activities,” include all games (including indoor), organized scrimmages, friendly games, and the like, but do not include team practices.

2. A “CUMULATIVE CARD SYSTEM” in league play will be operated as follows:

a. **Yellow Cards** One game automatic suspension for the game following an individual’s third league play yellow card. Two game automatic suspension for the game following such individual’s fifth league play yellow card. One game automatic suspension for the game following such individual’s sixth league play yellow card.

***NOTE:** A player/coach/assistant coach receiving a second yellow card in a single game is suspended for the balance of that game, and those two yellow cards are then added to such individual’s previous total of league play yellow cards to determine whether additional game suspensions, if any, are required. Red cards issued solely as a result of a second yellow in a single game will not be added to such individual’s league play red card total.*

b. **Red Cards** One game automatic suspension for the game following an individual’s first league play red card. Automatic suspension, pending a hearing, from all **NTSSA**-sanctioned activities following such individual’s second league play red card. Red cards issued *solely* as a result of a second yellow card in a single game will not be added to such individual’s league play red card total.

***NOTE:** In cases where, during a single game, an individual receives a yellow card followed by a “straight red card” (as opposed to a red card issued solely as a result of a second yellow) both cards will be added to such individual’s* Revised January 2017 35

respective total of league play red and yellow cards and punished accordingly. If a Member Association's and/or Playing League's A & D Committee determines that a red card was issued for an infraction that was not an "expulsion" offense in accordance with the FIFA Laws of the Game, such A & D Committee may reduce the red card to a yellow card and assess sanctions accordingly. The Member Association or Playing League may not, however, do away with the card altogether. A full report of this action must be sent to NTSSA.

c. **Seventh Card** Any individual obtaining a seventh card in league play (meaning any combination of yellow and red cards totaling seven) shall be immediately suspended pending a hearing from all ETSA sanctioned activities.

d. **Exception** When misconduct cards are issued during a league game that is being used to determine the standings and final outcome of a regional or national league under direct control of US Youth Soccer; the regional or national body that has been charged with the operation of said league will have jurisdiction over misconduct pertaining to games of that league. All penalties received during these games will be served in the regional or national league having jurisdiction and not in the player or team's home association league.

3. A **"CUMULATIVE CARD SYSTEM"** for each tournament will be operated as follows:

- a. **Yellow Cards** One game automatic suspension for the game following an individual's third yellow card. Two game automatic suspension for the game following such individual's fifth yellow card of the tournament.
- b. One game automatic suspension for the game following such individual's sixth yellow card of the tournament.

***NOTE:** A player/coach/assistant coach receiving a second yellow card in a single game is suspended for the balance of that game, and those two yellow cards are then added to such individual's previous total of yellow cards for that tournament to determine whether additional game suspensions, if any, are required. Red cards issued solely as a result of a second yellow in a single game will not be added to such individual's tournament play red card total.*

b. **Red Cards** One game automatic suspension for the game following an individual's first red card of the tournament. Automatic suspension, pending a hearing, from all ETSA-sanctioned activities following such individual's second red card of the tournament. Red cards issued solely as a result of a second yellow card in a single game will not be added to such individual's tournament play red card total.

***NOTE:** In cases where, during a single game, an individual receives a yellow card followed by a "straight red card" (as opposed to a red card issued solely as a result of a second yellow) both cards will be added to such individual's respective total of tournament play red and yellow cards and punished accordingly. If Tournament Officials determine a red card was issued for an infraction that was not an "expulsion" offense in accordance with the FIFA Laws of the Game, such officials may reduce the red card to a yellow card and assess sanctions accordingly. The Tournament Officials may not, however, do away with the card altogether.*

c. **Seventh Card** Any individual obtaining a seventh card in tournament play shall be immediately suspended pending a hearing with ETSA Committee (meaning any combination of yellow and red cards totaling seven)

d. **Exceptions**

For misconduct cards issued during State Cup, Regionals, or National competitions (US Youth Soccer), the misconduct will be handled within that competition.

The "CUMULATIVE CARD SYSTEM" prescribed by these rules defines the minimum disciplinary punishment to be taken by all Member Associations, Playing Leagues and Tournament Officials. Nothing herein prevents Member Associations, Playing Leagues or Tournament Officials from enacting more severe sanctions. Each case Revised January 2017 36

should be judged on its own set of circumstances and degree of misconduct or violence, the latter of which must be dealt with swiftly and severely.

Any misconduct by a Coach justifying a report by a referee or any other person shall be directed to the State Appeals and Disciplinary Committee as well as to the Member Association and/or Playing League with which the coach is affiliated. The Member Association and/or Playing League shall promptly (within seven (7) days after receipt of the report) rule on the report and send its decision to the State A&D Committee. The State A&D Committee will determine the extent of the punishment, if any, in addition to that taken by the Member Association. The State A&D Committee will make its decision based entirely upon the written reports before it, including that of the affected coach, should he or she submit a report. Hearings will not be held by the Committee unless it chooses to call one of its own volition.

A coach whose conduct is less than exemplary to his or her players, parents and spectators will be firmly dealt with by the Member Association or Playing League involved and the State A & D Committee.

Game suspensions for Yellow and Red cards (as set forth above) are to be served by the player/coach/assistant coach at the next scheduled game (including league, playoff, championship, cup, and local or state tournament games) that such individual's team is involved in. A suspension imposed by these rules shall be recognized by all affiliated organizations after proper notification. The lack of a hearing or referee report on the offense shall not affect such individual's suspension.

All game suspensions must be reported immediately to the State A&D Committee. The Member Association, Playing League or Tournament Officials making the report will forward a copy of any referee's Misconduct Report(s) which underlie the suspension. The State A&D Committee will determine the extent of punishment, if any, in addition to that prescribed by the Member Association, Playing League or Tournament Officials, taking into consideration the severity of the misconduct.

The State A&D Committee will issue its decision based entirely upon the officials' reports and any other written reports before it, including that of the affected individual, should he or she submit a report. A hearing will not be held by the State A&D Committee unless it, of its own volition, chooses to call one because of the nature of the case.

Extreme Violent Conduct

a. Member Associations, Playing Leagues and/or Tournament Officials are directed to extend severe punishment to those players, coaches, and assistant coaches guilty of extreme violent conduct while participating in a match and for violence toward any person or property after being ejected, while on the touchline, or approaching or leaving the game site.

3.11.3 Misconduct of Adult Players/Coaches/Assistant Coaches

1. All Member Associations are directed to operate and keep records on a twelve (12) point “**CUMULATIVE TWELVE (12) POINT SYSTEM**” for all player/coaches/assistant coaches. Offenses resulting in the cautioning of a player/coach/assistant coach by the referee (yellow card) are allowed points according to their seriousness ranging from one (1) to four (4) points. Appeals of cautions (yellow cards) are not allowed except when the referee admits he made an error in the issuance of the caution. Points are cumulative during each soccer season. When a given player/coach/assistant coach accumulates twelve (12) points sanctions are applied as described in Rule 3.11.3 (3). A player transferring to another team will carry over his or her accumulated points to his or her new team. Reports of these disciplinary actions are to be sent to the State Appeals and Disciplinary Committee at North Texas State Soccer Association Office.

2. The points of the “**CUMULATIVE TWELVE (12) POINT SYSTEM**” will be allocated as follows:

a. **12 points** Sent off from game due to Serious Foul Play, Violent Conduct, Spitting at Opponent.

***NOTE:** This is the **minimum** disciplinary punishment taken by all Member Associations on ejections. Nothing herein prevents a Member Association from enacting more severe sanctions. Each case should be judged on its own set of circumstances and degree of misconduct or violence, the latter of which must be dealt with swiftly and severely.*

6. Any misconduct by a Coach justifying a report by a referee or any other person shall be directed to the State Appeals and Disciplinary Committee as well as the Member Association with which the coach is affiliated. The Member Association shall promptly (within five (5) days after receipt of the report) rule on the report and send its decision to the State A&D Committee. The Committee will determine the extent of the punishment, if any, in addition to that taken by the Member Association.

7. The State A&D Committee will make its decision based entirely upon the written reports before it, including that of the affected coach, should he or she submit a report. Hearings will not be held by the Committee unless it, of its own volition, chooses to call one.

8. A coach whose conduct is not considered to be exemplary to his or her players, parents and spectators will be firmly dealt with by the A&D Committee of both the Member Association involved and the ETSA.

9. Game suspensions for caution points and/or expulsions:

The suspension is to be served by the player/coach/assistant coach/manager/or team representative at the next scheduled game (regular league games, makeup league game, playoff, championship, cup games, local or state tournament game) that the player's team is involved in. A suspension imposed by **NTSSA** shall be recognized by all affiliated organizations after proper notification. The lack of a hearing or referee report on the suspension/expulsion of the offender shall not nullify his suspension (to sit out) the next game.

10. All game suspensions must be reported to the State. When an ejection or game suspension under the caution point system is issued to a player, the Member Association or league to which the player is affiliated will forward a copy of the referee's Misconduct Report of the ejection or a copy of the league's Disciplinary Committee report on suspension due to the excessive Caution Points directly to the **NTSSA State Appeals and Disciplinary Committee**, together with the action taken by the Member Association. The State A&D Committee will determine the extent of punishment, if any, in addition to that prescribed by the Member Association, taking into consideration the severity of the misconduct. Each additional caution and/or ejection of said player during the remainder of the soccer year will also be forwarded to the Committee for review and possible further action.

11. The **NTSSA Appeals and Disciplinary Committee** will issue its decision based entirely upon the officials' reports and any other written reports before it, including that of the affected player, should he or she submit a report. A hearing will not be held by the Committee unless it, of its own volition, chooses to call one because of the nature of the case.

12. Extreme Violent Conduct:

The State Member Association's Appeals and Disciplinary Committees are directed to extend severe punishment to those players, coaches, and assistant coaches guilty of extreme violent conduct while participating in a match and for violence toward any person or property after being ejected, while on the touchline, or approaching or leaving the game site.

3.11.4 Misconduct of Spectators

1. Each team (youth and adult) in ETSA is responsible for the conduct of its spectators. The referee has the authority to insist that the coach or acting coach deal with the misconduct of the spectators and resolve the problem. Failure to do so may result in the coach's dismissal from the field and/or termination of the match. Therefore, the coach/assistant coach/team manager is expected to control his spectators, especially on non-enclosed fields. If he is unable to do so, Member Associations, Playing Leagues and/or Tournament Officials are directed to take appropriate actions toward the identifiable, unruly spectator, or if unidentifiable, towards the team itself. Member Associations, Playing Leagues and Tournament Officials shall report spectator misconduct to the State A&D Committee for review and further action if warranted.

2. Suggested action for misconduct of spectators is:

- a. Suspend the spectator from attending future matches.
- b. Report spectator to authorities.
- c. Require team to forfeit any games at which spectator is present on the touchline (cannot keep them off public street or out of parking lot.)
- d. Require offending team to pay for presence of police at the game.
- e. Revoke and/or refuse registration to the offending team.
- f. Cause the spectator to be placed under a municipal "peace bond".

3.11.5 Misconduct and Punishment of Teams

1. Youth Association Teams

When, during the current soccer year, the players/coaches/assistant coaches of a given team have accumulated a total of seven (7) send-offs in league play (*including* red cards issued as a result of an individual receiving two yellow cards in a single game) or any combination of cards totaling twenty-five (25) the Member Association and/or Playing League shall notify the team and the State A & D Committee. The team will be fined \$100 payable to **NTSSA** within thirty (30) days of receiving notice of the seventh send-off or any combination of cards totaling twenty-five (25). The coach and the players of said team may also be required to appear before the Member Association and/or Playing League Disciplinary Committee to explain the team's continued misconduct. If desired, the Member Association and/or Playing League may waive the holding of a local hearing and refer the matter to the State A&D Committee. Failure of the Member Association or Playing League to notify the State A&D Committee within fourteen (14) calendar days of a team's seventh send-off or any combination of cards totaling twenty-five (25) will result in a fine of \$100 per week for each week such notice is late. Red cards or send-offs assessed against that team's spectators or against that team during tournament play will be reviewed to ascertain team misconduct tendencies.

b. When the players/coaches/assistant coaches of a given team have accumulated a total of four (4) send-offs in a tournament (*including* red cards issued as a result of an individual receiving two yellow cards in a single game) Tournament Officials shall notify the team and the State A & D Committee. The parents, coaches, will be required to appear before the committee to explain the team's behavior.

3. All Association Teams

- a. The ETSA holds the team and coach jointly responsible for the conduct of his or her players, parents, and spectators.
- b. A coach whose conduct is not considered to be exemplary to his or her players, parents and spectators will be firmly dealt with by the ETSA committee.

3.11.7 Misconduct Toward Referee

1. East Texas Soccer Association has exclusive jurisdiction over assault or abuse of officials, both referee and assistant referee, in any competition by the State or Member Associations. This jurisdiction includes:

- a. All **USSF** registered referees (adult and youth).
- b. Any non-licensed person serving in any emergency capacity as a game official.
- c. Any coach, parent or junior assistant referee, serving as a game official.

2. If there is an assault/abuse of any game official by any person, including players, coaches, managers or spectators; a report of the alleged assault/abuse will be submitted immediately to the ETSA Committee. This committee, shall review and investigate the report(s) as submitted, and upon proper investigation shall determine the seriousness of the alleged assault/abuse report(s) in a timely manner.

Should the majority of the members of the subcommittee listed above in Paragraph 3.11.7.2 determine there is sufficient evidence to consider the incident referee assault or referee abuse, a formal hearing will be held within thirty (30) days of verification of the incident. An intentional act upon or towards a game official as defined in Paragraph 3.11.7.1 above shall be deemed “referee assault” or “referee abuse” in the **NTSSA** under the terms, references, and conditions of **USSF** Policy 531-9.

If the subcommittee determines there is sufficient evidence to consider the incident referee assault, the committee, at its discretion, may suspend the individual involved until the hearing on the alleged assault.

Should the subcommittee, as noted in Paragraph 3.11.7-2 above, determine the action committed to be Misconduct Towards a Referee rather than Referee Assault or Referee Abuse, it shall impose an administrative punishment of a three (3) game suspension. A formal hearing will not be held unless it is requested by the suspended party. Should a formal hearing be requested and held, it shall be an NTSSA Executive Committee hearing as described in Paragraph

3.11.7.4.

4. State Executive Committee Hearing

Assault hearings shall be conducted by the ETSA Committee in the following manner:

- a. The alleged offending party should be present at such hearings, however, if he is not present, an Executive Committee member will act upon the matter with the information before it.
- b. The game official(s) are required to be present at the hearings. However, if they are not present, the Executive Committee member will act upon the matter with the information before it.
- c. It is intended that the officials’ reports be clear and that no explanations are required at the hearing. Only the Committee member will question the official(s). If the offending party or any other party or any other person(s) need explanation, such queries will be addressed through the committee member.

5. Terms and References

East Texas Soccer Association – Mineola Soccer Association
2016/2017
Bylaws and Rules Table of Contents

a. Referee assault is an intentional act of physical violence at or upon a referee (an act intended to bring about a result that will invade the interests of another in a way that is socially unacceptable. Unintended consequences of the act are irrelevant.). Assault includes but is not limited to the following acts committed upon a referee: hitting, kicking, punching, choking, spitting on, grabbing or bodily running into a referee; head butting; the act of kicking or throwing any object at a referee that could inflict injury; damaging the referee's uniform or personal property, i.e. car, equipment, etc.

b. Referee abuse is a verbal statement or physical act not resulting in bodily contact which implies or threatens physical harm to a referee or the referee's property or equipment. Abuse includes, but is not limited to the following acts committed upon a referee: using foul or abusive language toward a referee; spewing any beverage on a referee's personal property; spitting at (but not on) the referee; or verbally threatening a referee. Verbal threats are remarks that carry the implied or direct threat of physical harm. Such remarks as, "I'll get you after the game" or "You won't get out of here in one piece", shall be deemed referee abuse.

c. Misconduct towards a referee means persistent statements or physical acts directed toward a referee during or after a game, that do not constitute referee assault or abuse as provided under Federation Policy 531-9, but that mistreat the referee or are inappropriate or unacceptable statements or acts, and may include the following:

i. excessive incidences of foul or abusive language at the referee;

ii. statements that diminish the authority of the referee;

iii. statements or acts that serve to intimidate without threatening physical harm to the referee.

iv. Examples of misconduct that arise under the description above include the following:

1. confronting the referee without physically threatening the referee;

2. spitting on the ground or in the air but not at the referee;

3. throwing or kicking an item as a sign of disrespect or dissent but without the chance of hitting the referee;

4. re-entering the field.

These are only some of the examples of possible misconduct and are not all-inclusive, but apply only in the following situations:

i. if a proceeding is brought against an individual for referee assault or abuse, or both, under Federation Policy 531-9; or

ii. if the individual is ejected from a game and, after the ejection, engages in conduct that is misconduct under this policy.

6. Penalties and Suspensions

a. Referee Assault

The person committing the referee assault is automatically suspended as follows:

1. for a minor or slight touching of the referee or the referee's uniform or personal property, at least three (3) months from the time of the assault;

2. except as provided in clause one (1) or two (2), for any other assault, at least six (6) months from the time of the assault;

3. for an assault committed by an adult and the referee is seventeen (17) years of age or younger, at least three (3) years; or

4. for an assault when serious injuries are inflicted, at least five (5) years.

b. Referee Abuse

The person committing the referee abuse shall be suspended for a minimum of three (3) games.

c. Misconduct Towards a Referee

The person committing the misconduct towards a referee shall be suspended for a minimum of three (3) games.

d. Any suspension assessed against an individual under this section does not effect any other suspension and/or fine that may be imposed on the individual by an association or league for a violation that is not referee assault or abuse.

7. Any party found to have committed the act of referee assault, referee abuse, or misconduct towards a referee shall have the right to appeal, within ten (10) days of receipt of the decision, to the **USSF Appeals Board**, following **USSF Bylaw 705**.

8. Assault On Officials By An Adult Player

If committee finds fault in offending party, this person will be subject to a fine made payable to East Texas Soccer Association. In the amount of \$100.00. Maybe be subject to criminal charges.

3.11.8 Misconduct of Referees

When any referee is alleged to have committed misconduct toward any participant, spectator of a match or toward another referee, the ETSA Committee will hear such allegations and assess punishment concerning the Referee in regard to his activities.

3.13 GAME PROTESTS

3.13.1

There are only two acceptable causes for the protesting of a game after it has been played. They are:

1. A team knowingly plays an unregistered, ineligible, or suspended player; or
2. There has been an obvious error made in the application of the Laws of the Game that directly affects the outcome of the match, and the referee admits it.

3.13.2

No protests can even be entertained if they are based on judgment decisions made by the referee during play. The Laws of the Game clearly state in Law V (Referees) that . . . “A referee shall be appointed to officiate each game . . . his decisions on points of fact connected with the play shall be final, so far as the result of the game is concerned”. A game cannot be protested because one coach, or both for that matter, thinks the
Revised January 2017 45

referee was incompetent. This is a matter to handle through the local referee’s group or the State Referee Committee.

3.13.3

Any protests relating to the grounds, goal posts, cross bars, or other appurtenances of the match shall not be entertained by any protest committee or board unless an objection has been lodged with the match referee before the commencement of the match. The referee shall require the responsible team to remove the cause of objection if this is possible, without unduly delaying the process of the match.

When an objection has been lodged, a protest, in writing, must be made to the protest committee of the Member Association under whose direct jurisdiction the match was played. No objection or protest shall be withdrawn (because the protestor won the match) except by consent of said protest committee.
