## Commodore's Report

Hi WSYC Members!

**I hope you all had a wonderful and romantic Valentine's Day,** maybe take-out and a good movie on the couch, or even one of those few tables at a good restaurant.

I wish we could have had our traditional Sweetheart Cruise and Crab Feast, but alas, we are still not there yet. In fact, we would be putting on the Crab Feast at our next meeting, if we could.

In the meantime, we are still working on setting up cruises for this summer in anticipation of the pandemic receding by then. I have spoken with Ray at the Kingston marina and they are excited to host us there again. Dates will be May 28-31 for Memorial Cruise. There will be two other yacht clubs there as well, so conditions permitting, we will have a really good time at last! We need to send them the roster of boats from our club by the end of April, so please contact me if you want to come along. Also, if you would like to help host this event please contact me as well.

We will be hosting our February general meeting via Zoom again on Friday February 19 at 7:00pm. The chip drawing is up to \$150! So be sure your dues are current and sign into the meeting for your chance! Look for the Zoom invite in your email.

I hope to see you all there,

Commodore Jim Schnelz

## Vice Commodore's Report

Good news my fellow boaters, this year is looking much better than last! A little bit closer to the good old days come June. Julie and I are as excited as the rest of you about getting back on the water. Better news is that your officers have locked in this year's boating cruise schedule. Jim has done a great job coordinating this year's boating fun and even has it in print form.... see your cruise card for all the tantalizing details!

Our waters and marinas could be busier this year than last due to all the new boaters. People now know that boat ownership is a fun and safe place to be this day and age. Even Tom Brady likes to celebrate on the water after a record 7 super bowl wins!

Opening day has officially been canceled. With the virus making it too difficult to determine an opening date.

We want to give Dan and Sue Scott a double congratulations; not only did they get a new boat they also are the parents to our newest members, Doug, Sharon and the kids, Jenny & Anna. I know how great it is to have their kids to grow up boating and then become boaters themselves, and WSYC members.

The sunshine is right around the corner, that is if you can see past all the snow!

Vice Commodore  
Rick Shelton

**Rob and Dee "Griswold" Selk would like to thank the WSYC**
