Jason traveled to Oregon and met with growers of different seeds, picking only the best of the best. He then cross referenced these seeds with the NC State's Recommended List to create the perfect blend for our area.

"This stuff is the bomb.
It's all we use!"

-Bandy's Landscape Mgmt

"Germinates faster than other premium seeds and provides a better stand of grass."

-Jason Oliver

"Great color, fine texture, and it germinates quickly!"

-Watt Landscaping
