**LETTER MAILING LOTS:** Denominations packaged to add up to the current First-Class letter rate of 50c. If you order enough to mail 100 letters, you will receive packets of stamps that when combined will equal the 50c letter rate. Combinations will vary, but you will be able to decorate your mail and not be left with extra stamps. Example lot: 200 – 22c and 100 -6c. You would use two 22c and one 6c on each letter to total 50c. Another example: 300 – 15c and 100 - 5c. You would use three 15c and one 5c on each letter to total 50c. A great way to get attention for your mailing!

**100 Letters \$50 FV- \$43**

**500 50c Letters \$245 FV- \$198**

**1000 50c Letters \$500 FV- \$415**

**ALREADY STAMPED #10 ENVELOPES:** This lot contains #10 envelopes which are already stamped with a total of 50c in postage. All you have to do is address them and fill them with your mailings! This saves you the time of stamping them yourself. Order in multiples of 200. I use nice quality #10 security envelopes with peel and seal flaps. You save on postage AND you get FREE envelopes. Calculate the savings and order today. These have been incredibly popular! Remember – stamped mailings get noticed. Please allow time for preparation, as these are custom produced for each order. If you need window envelopes, please inquire!
