

2017 "HERNANDO BEACH LIFE"
PHOTO CONTEST ENTRY ~ JANICE ZABEL

The Beachcomber

Hernando Beach Property Owners Association Newsletter ~ January 2018

PRESIDENT'S MESSAGE JANUARY 2018

Here we are once again, beginning a New Year – 2018. Last year I was privileged to be the Vice President of the Hernando Beach Property Owners Association. My husband Bud and I have lived in Hernando Beach for 7 years now, coming from Illinois and enjoy each and every day here. It was difficult from the start as we only knew Bud's friend Tom and his wife, who live in HB South but gradually got to know our neighbors and attended association meetings and joined the association and through all that got to meet many people in Hernando Beach. As Vice President I brought in many interesting speakers each month, which I hope all of you enjoyed listening to and speaking with.

This year thanks to all of you, I am now the 2018 President of the HBPOA. I want to thank Gladys Moore who has done a phenomenal job in the past years as our President, guiding us, supporting us and being a wonderful voice not only to the county but to all agencies within Hernando County and beyond. There are not enough words to say how much we all appreciate you

(Continued on page 3)

Our next meeting will be held **Thursday, January 4th, at 7:00pm** at the **HB Coast Guard Auxiliary**, doors open at 6:45pm.

~~~~~

**The purpose of this organization is to unite the property owners of Hernando Beach for Civic purposes that lead to improved quality of life.**

Gladys and glad that you will still be a part of our board as Past President.

I also want to thank Don Bowers and Cal Holland for their terms of service as Directors of the HBPOA. Don and Cal are always there to step up and lend a hand, take over anything that needs to be done. Both of you have been a great asset to our association – so Thank You.

To our other board members – Margo McConnell our Treasurer, Patricia Cordova our Secretary and our other Directors Joy Martinez and Vickie Anderson, thank you for another term on our board. We appreciate what each and every one of you do.

Now I'd like to say as your President this year I will try to lead and support Hernando Beach Community and the Association in any way I can, to make sure that we grow even better with all the new things and challenges that we will face in the new year.

I want to welcome our new Vice President, Bennie Martinez, who I know because of all his knowledge of Hernando Beach will bring in speakers that will share with us information we need to know, support the community in any endeavor and be there for the community whenever needed. Congratulations Benny and welcome!

To our two new Directors, Elaine Wightman and Diane Greenwell, we welcome you and Congratulations on your positions. We are very lucky to have new faces and new voices on our board. Both of you have been very instrumental in working on the Hospitality Committee last year and I hope will continue to do so this year. Thank You.

Speaking of the Hospitality Committee we have done many events this year, working on the Fire House Open House, Ice Cream Social, Meet and Greet and our latest Holiday Party. All of these events were a lot of work but so fulfilling when all done and all the kudos come in. Our Holiday Party was a huge success, with 91 people attending, all great dishes that were shared and wonderful raffle prizes. We made \$187 on our raffle, \$166 on our 50/50 (which \$83 went to the winner and the rest to the HBPOA), and our Angels with \$105 donated to the Boys and Girls

Club of Hernando County. It was an evening that none of us will ever forget and I want to thank each and every one of the Hospitality Committee for the time and effort they put into this organizing and helping make such a great Success! Thank all of you for being there and sharing welcoming in the Holiday Season!

This coming year one of my goals is to try to get more people to join our different committees. As I said we are all volunteers giving our own time and the more members we have the less time each of us will have to give up. If you talk with any one of our committee members they will tell you that yes, they have to give time to different tasks, but it is fulfilling to know that they were the ones to stand up for the community and help get these issues corrected or at least brought up so that all are aware of them.

I would also like to see our association membership grow more. Our fees are only \$25 for the year and as you know this gets you a copy of the BeachComber (our newsletter which you are enjoying right now) and as last year a coupon book worth over \$70 in coupons for local restaurants

and businesses. As a member you have a vote in any issues that occur. We want to be able to show the County that Hernando Beach is a community that stands together and what better way than to say here is our Association comprising of all these property owners who want results, want answers, want to have a voice in all future issues, decisions, etc. So I encourage you if you have not joined yet think about it and get that application together. Talk with your neighbors, who may have just moved in, encourage them to be a part of the association.

This is my first President's Message and so I hope you have enjoyed reading it. This is new to me, so as I have said to the other board members, I look to them and to all of you to help me as I will help you.

I hope we all have a Healthy, Safe, and Bright 2018. May we all enjoy our family, friends, and beautiful community that we live in.

Thank You,

Kathleen Frase  
President Hernando Beach  
Property Owners Association

## FERTILIZER ORDINANCE IN EFFECT FOR HERNANDO COUNTY

Starting January 1, 2018, a fertilizer ordinance will be in effect for Hernando County. It regulates how, where and when fertilizers can be applied to

**Website: [K3constructionInc.net](http://K3constructionInc.net)**

***Reliable & Affordable & Local***

*(Continued from page 7)*

plants and grass. The ordinance includes a limited application season from January 1 through March 31 of each year. During this time period, only professional applicators who are trained, certified and registered according to the terms of the ordinance may apply slow- or controlled-release fertilizer. The applicator must be able to verify the fertilizer product used and provide the verification upon request.

Studies conducted by the Southwest Florida Water Management District and the Florida Department of Environmental Protection have determined that the primary cause of water quality issues in Weeki Wachee Springs and the Weeki Wachee River comes from inappropriate fertilizer use. When applied incorrectly, excess nutrients wash off lawns into neighboring water bodies causing excessive algae growth and stressing aquatic insects, amphibians and fish.

**Here are year-round tips on how residents can help:**

Do not fertilize your lawn from Jan. 1 through March 31 unless you hire a certified

landscape professional.

Ask your fertilizer professional if he or she has a certificate of training through the Green Industries—Best Management Practices Program.

Watch the weather and don't fertilize when the National Weather Service calls for a heavy rain, flood, tropical storm or hurricane watch or warning or when the soil is still saturated.

Hold off fertilizing new plants, turf seeding or sod until at least 30 days after planting.

Do not fertilize within 10 feet of a water body without using a deflector shield, drop spreader or liquid applicator with a visible and sharply defined edge. It is recommended to use plants that don't require fertilizer for these areas.

Immediately sweep up fertilizer that spills on your driveway, sidewalk or street. Never allow fertilizer, grass clippings, pet waste, plant debris, gasoline or oil to be washed, swept or blown off sidewalks or roadways into storm water drains, ditches, canals, water bodies or wetlands.

## GULF GRAY TRIGGERFISH REOPENS MARCH 1, 2018

### News Release

Friday, December 15, 2017

Media contact: Amanda Nalley, 850-410-4943 or

Recreational harvest of gray triggerfish will remain closed in Gulf state and federal waters through Feb. 28, 2018, reopening March 1. The season will also close June 1 through July 31.

When the season reopens, the daily recreational bag limit will be 1 fish per person (lowered from 2 fish earlier this year), and the minimum size limit will be 15 inches fork length (increased from 14 inches fork length). Similar changes were approved for Gulf federal waters. Learn more about federal changes at [http://sero.nmfs.noaa.gov/fishery\\_bulletins/index.html](http://sero.nmfs.noaa.gov/fishery_bulletins/index.html).

These changes should help maintain fishing opportunities for gray triggerfish in state and federal waters for 2018 and the future.

For more information on gray triggerfish, visit [MyFWC.com/Fishing](http://MyFWC.com/Fishing) and click on "Saltwater Fishing," "Recreational Regulations" and "Triggerfish."

## **FWC APPROVES SEVERAL CHANGES TO GULF COBIA MANAGEMENT**

### **News Release**

Thursday, December 07, 2017

Media contact: Amanda Nalley, 850-410-4943 or  
[Amanda.Nalley@MyFWC.com](mailto:Amanda.Nalley@MyFWC.com)

At its December meeting in Gainesville, the Florida Fish and Wildlife Conservation Commission (FWC) took final action to approve several changes to the management of cobia in state waters of the Gulf of Mexico.

These changes are based on stakeholder input and concerns from anglers, and will further promote sustainable management of this fishery.

Approved changes will go into effect Feb. 1, 2018, and include:

- Creating a Gulf/Atlantic management boundary defining all state waters north of the Monroe-Collier county line as "Gulf state waters" for purposes of managing cobia.
- Making the recreational and commercial bag limits for cobia in Gulf state waters the

## FWC DISCUSSES REGIONAL BAY SCALLOP SEASONS

### News Release

Thursday, December 07, 2017

Media contact: Amanda Nalley, 850-410-4943 or [Amanda.Nalley@MyFWC.com](mailto:Amanda.Nalley@MyFWC.com)

At its December meeting in Gainesville, the Florida Fish and Wildlife Conservation Commission (FWC) discussed draft changes that would create regionally-specific bay scallop open seasons and would allow a trial scalloping season in state waters off Pasco County in 2018. Stakeholder input gathered over the past year was presented to the Commission along with an overview of the bay scallop fishery, an update on the status of scallops in St. Joseph Bay, and proposed management changes for the fishery.

This draft proposal includes both long- and short-term changes and will be brought back before the Commission at the February meeting for a final public hearing.

Regionally-specific open seasons, if approved, would mean the timing of the summer bay scallop season would vary across the allowable harvest area to provide a better scalloping experience for the public and maximize the benefits to various regions. For some regions, that means having a season that starts later so that scallops are bigger when the season begins and for other areas,

WAIVER: WE ARE LAWYERS AFTER ALL... In consideration of the acceptance of my application for this entry, I, the undersigned intending to be legally bound, hereby, for myself and anyone acting on my behalf, release any and all claims for damages I may have against the event organizers, Hernando County Bar Association, the event supporters, directors, volunteers, Hernando County, Southwest Florida Water Management District, and any timing companies, sponsors and their representatives, successors and assigns for any and all injuries and death suffered by me in said event. I attest and verify that I know that an athletic event can be a potentially hazardous activity. I acknowledge that participating in this event is inherently dangerous. I fully realize the dangers of participating in this event, and fully assume the risk associated with such participation, including but not limited to the following dangers: dehydration, hyperthermia, hypothermia, hyponatremia, collision with pedestrians, vehicles, and other event participants and fixed or moving objects, dangers arising from other surface hazards, equipment failure, inadequate safety equipment, weather conditions, animals, including but not limited to bears, alligators, bobcats, snakes, rabbits and coyotes, the possibility of serious physical and/or mental trauma and injury, including death. However, I have sufficiently trained for the completion of this event and know that I am participating at my own risk. I understand that there are more hazards than are enumerated here, and that there are unknown and unforeseeable hazards. I engage in the activity of this event with knowledge of the inherent risks of injury. I understand the risks involved in this event and I have carefully read, understand and voluntarily accept the terms of this waiver and release agreement. In addition, I agree to abide by the rules and conditions laid down for the event and to follow instructions issued by event officials. I understand that circumstances beyond the control of the event director may cause the event to be modified, postponed or relocated. I accept that the organizers reserve the right to refuse entry from persons considered to have insufficient experience or disqualify those who fail to follow the rules and conditions. Ignorance is no excuse. I agree that my name, voice or picture may be used by Hernando County Bar Association, Red Mule Runners and race sponsors for promotional purposes. I affirm that the details written about me on this entry form are true. I agree it is my sole responsibility to be familiar with the course, the rules of the sanctioning body, and the special regulations of the event. I understand that there is a 2 hour time limit for completing this race, after which I will not expect the race organizers to remain at the finish area. I agree to notify the race organizers if I should decide to withdraw from this event prior to reaching the finish line. I have no physical or mental condition which, to my knowledge, would endanger myself or others if I participate in this event, or would interfere with my ability to participate in this event. I have read this waiver of liability and accept the risks and responsibility associated with entering this event. I further acknowledge that I may be required to sign an Acknowledgement, Waiver & Release from Liability (AWRL) during the registration process prior to starting the ride on the day of the event. I hereby grant permission for the free use of my name and picture in any broadcast brochure, website, or account of this event. I understand that by not pre-registering by the cut-off date listed online, I may not be able to get a souvenir from this event. I have personally read this waiver of liability and accept the risks and responsibility associated with entering this event.

that means having a season that starts during early summer to allow for more opportunities for those on summer break.

Allowing a short trial season in Pasco County, which has been closed to harvest since 1994, would likely provide an economic benefit to the county and create opportunities for local residents to scallop in their nearby waters.

If approved in February, long-term regionally-specific open seasons would include:

- Franklin County through northwestern Taylor County (including Carrabelle, Lanark, and St. Marks): July 1 through Sept. 24.
- The remaining portion of Taylor County and all of Dixie County (including Keaton Beach and the Steinhatchee area): the third Saturday in June through Sept. 10.
- Levy, Citrus and Hernando counties (including Cedar Key, Crystal River and Homosassa): July 10 through Sept. 10.

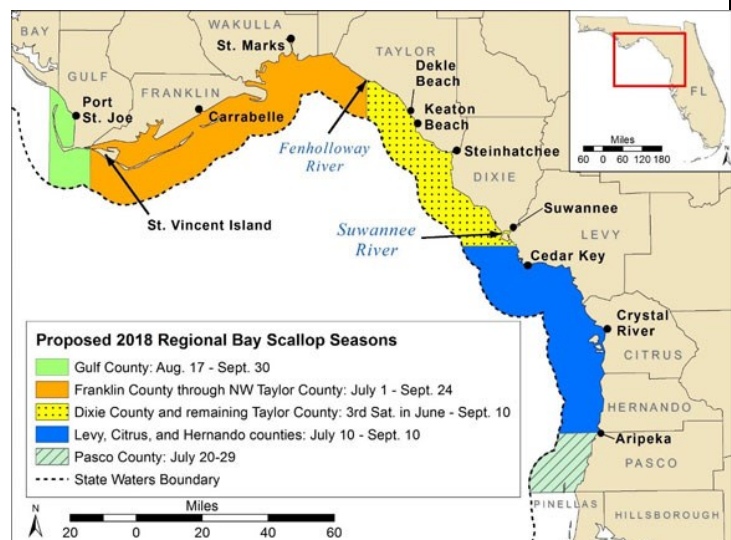

If approved in February, the following open seasons will be created by executive order for 2018 only:

- St. Joseph Bay and Gulf County: Aug. 17 through Sept. 30, 2018.
- Pasco County: Establish a 10-day open season to run July 20-29, 2018.

The FWC will set a long-term season in St. Joseph Bay once the population in that area has more fully rebuilt.

[Share your input](#) on these season changes by visiting [MyFWC.com/SaltwaterComments](http://MyFWC.com/SaltwaterComments) or emailing [Marine@MyFWC.com](mailto:Marine@MyFWC.com). You can also learn more by viewing [a workshop presentation](#) at [MyFWC.com/Fishing](http://MyFWC.com/Fishing) (click on "Saltwater Fishing," "Public Comments/Workshops" and "Workshops.")

# You Should Be Able to Form a **Relationship** With Your Orthopaedic Surgeon

**There is so much more to being an  
orthopaedic surgeon than holding a scalpel.**

## Michael W. Higgins, DO, PA

Board Certified in Orthopaedic Surgery

*"Throughout my surgical experience Dr. Higgins continued to be compassionate and patient oriented. While in the pre-op waiting room he visited with me and my husband. He put us at ease assuring my husband that he would come into the waiting room to speak to him as soon as the procedure was complete. He was at my side in the operating room as the anesthesiologist put me to sleep. I stayed in the hospital*

*four days. Dr. Higgins came to check on my progress every day."* – Kristin J.S.

**"You pick me, you get me."**

– Dr. Michael W. Higgins

### Our philosophy:

- People who are in discomfort should be seen in a timely manner
- Treatment should begin promptly
- You will be seen by your doctor every step of the way

Dr. Higgins specializes in non-operative and operative management of general orthopaedic conditions and the spine.

## **FREE CLASSES OFFER FLORIDA- FRIENDLY LANDSCAPING™ TIPS**

The Hernando County Florida-Friendly Landscaping™ program offers classes year-round to help residents learn how to save time, money and water when maintaining their lawns and gardens. The schedule of classes along with a short description of each is listed below.

### **Free Class – Rude Guests in the Garden**

Residents are invited to attend a free class, "Rude Guests in the Garden" on Thursday, January 4, 2018 at the West Hernando Library located at 6335 Blackbird Avenue in Brooksville at 10:30 a.m. and on Friday, January 5, 2018 at the Chinsegut Conservation Center located at 23212 Lake Lindsey Road in Brooksville at 10 a.m. Florida's mild climate is perfect for many types of plants. Some were introduced and became a nuisance to us and a hazard to our environment. Learn which plants to avoid when landscaping and how to deal with invasive exotic pest plants. The class will be presented by Florida-Friendly Landscaping™ Program Coordinator Lilly Brown-

### **Free Class – Florida’s Wild Edibles**

Residents are invited to attend a free class, “Florida’s Wild Edibles” on Wednesday, January 10, 2018 at the Spring Hill Branch Library located at 9220 Spring Hill Drive at 10:30 a.m. The class will be presented by Master Gardener Rita Grant. Back by popular demand. Join Master Gardener Rita Grant as she teaches us about edible plants that grow in the wild. No registration necessary.

### **Free Class – The Good, the Bad and the Bugly**

Residents are invited to attend a free class, “The Good, the Bad and the Bugly” on Wednesday, January 24, 2018 at the Spring Hill Branch Library located at 9220 Spring Hill Drive at 10:30 a.m. The class will be presented by Florida-Friendly Landscaping™ Program Coordinator Lilly Browning. The old saying, “The only good bug is a dead bug” is simply not true. Of all Florida’s insects, 99 percent are either beneficial or benign, not causing any problems. Learn how to discern some of the pests from the good guys
