

# St. Andrew Parish Air Conditioning and Heating Project

Are you tired of freezing in the Church during the summer months?

And, do you remember how it is really hard to hear when the A/C is running?

The Parish Council has voted to repair our Air Conditioning system after school is out! When the project is completed, we will have a more quiet and evenly cooled Church during the summer months!!!

St. Andrew Church  
checking  
and savings

♥ - Your  
donation  
is greatly  
appreciated

Part of this project will be paid for with funds our checking account *and* we will use funds from a maintenance savings account... however, your help is also needed for this large repair project.

If you can give a one-time donation or make a monthly pledge to help us, we will be grateful for your stewardship. We appreciate whatever you can do to help us to enjoy our worship time in a quiet, pleasantly cooled Church this summer.

St. Andrew Church family

Your support is greatly appreciated~

You may go to ONLINE GIVING,

(<https://osvonlinegiving.com/4470>)

or use the collection basket,

or bring your contribution to the office.

However you would like to help us, we are so grateful to you. Then we can worship in a comfortable, quiet Church together!
