

Zoe, Izzy and Lulu

Pets' Name: Zoe (sister) and Izzy (brother)

Pets' Owner: Bonnie Winn

Type: Long-haired Chihuahua

Age: 14

Background:

A few years ago Ms. Winn was driving in her car and saw the cutest dogs walking with their owner. She pulled up and asked the owner of the dogs their breeds and where she got them. Ms. Winn found out that they were Long-haired Chihuahuas and decided to get two dogs so that they could give each other company. So that is how Zoe and Izzy came to Ms. Winn.

Characteristics:

Zoe is bossy, in charge of Izzy and the sidewalk in front of the house, and insecure to Izzy and Lulu. She is a little spoiled and she will get grumpy if Izzy is in Ms. Winn's lap and will get very angry if Izzy does not move out of the way. But all she wants is attention and she is a sweet little lady. Izzy, on the other hand, is more laid back and is a little bit grumpy looking. He doesn't like to be petted very much, nor his leash or harness and gets tired easily on a walk so he has a stroller to sit in. Ms. Winn says that he was like the little poky puppy
