

CAI Long Island Chapter Meeting

with an educational workshop

Community Therapy II: Bring Your Biggest Successes, Roadblocks and Problems Relating to Your Community

You asked and we listened!

Back by popular demand, the Long Island Chapter will host a second installment of the extremely popular and highly successful event we first brought to you in early 2017 – Community Therapy.

Join us on Thursday, March 22nd, 2018 for an evening workshop offering our membership a tremendous networking and **shared learning opportunity** with a *“Round Table”* format to discuss current problems and future goals with other board members who have dealt with the same issues and benefit from their experience and knowledge.

Workshop will be lead by our own Frank Socci, Jr. CPM® – NAI Long Island, who is a Past President of the Long Island Chapter Board — and will be accompanied by several of the current Chapter Board members serving as “Discussion Leaders” for this informative and lively educational event!
