DCM report: Rick read the concept 3 . AA depends on our trusted service. Homegroups, GSR ,District. This give the decision making process to Homegroups, GSR and the District. In other words the triangle starts at the bottom and works its way to the top. Also, he would like all homegroups to stress the importance of what it means signing up for a homegroup. Making coffee, collections, grapevine, greeting, etc. etc. Beaver county has good examples both good and bad regarding the Homegroups. He also would like the more seasoned AA members talk to the newcomers and get them signed up and active in a homegroup. Rick also passed out the regional forums to take to our Homegroups. He also brought up that AA has a new poster on anonymity for sale and had a few to look at.
