LION KING EXPECTATIONS

- If your student is absent from school please text me at 941-228-4521. The school does not provide me with a list of absences.

- I will do my best to only call students for rehearsal when they are needed. That being said- students **MUST** be at every rehearsal they are called to. If a student is out of school that day due to illness, they must get with another cast member to learn what they missed. There is no time in our schedule for re-teaching, so students that come back not knowing a number/scene will not appear in it.

- Students will have a long span of times between learning vocals/choreography/blocking and reviewing it again. Once something is taught, students are expected to practice and memorize it on their own time. For instance, we will review the choreography for He Lives In You that they learned at auditions...I consider it taught, so they should be practicing it.
