

@AskZoella why did u paint ur nails? No, wait. Would u ever dye ur hair? Arghh. Would you cut your hair above your shoulders?

@AskZoella Not sure if this is totally a #askzoella question but I sent u my novel last week. Did u get it?

@AskZoella I sent u a photo of me. Did u like the way I cut my hair like urs? I love u

@AskZoella OMG! I just saw my last few tweets & I was like a real dreamfan. I'm so not like that. I've got a boyfriend just like u.

@AskZoella Are you real? I'm not getting any replies. Please let me know ur ok & not a robot person.

@AskZoella Woah. Bad day today. Blew up at a bunch of kids & kind of wasted the rest of the day - re-doing my hair, in case u think I'm a freakoid.

@AskZoella Bored now. Heading back to work: I'm a TD in the Dail if ur any bit interested. Ha! I'm powerful, well paid. I eat ur kind for breakfast
