### **Executive Committee Reports:**

*President* – Deidre Gordon commented that it was going to be a long time before the clubhouses are open for activities.

*Secretary* - Kris deYoung read over the minutes the May meeting; the minutes were approved with corrections.

*Treasurer* – Kathie P. and Judy O. will get together to come up with a letter for the members for next year regarding fees. The board voted to have renewals for members from 2020 receive free membership for 2021. Any new members will pay the regular fee of \$20. Kathie P. filed the taxes for 2019 on line.

*Art work in buildings:* The following guidelines are now in place for artists wanting to pick up art work from various buildings. Community Center people should call or email Becky Jackson, per the membership wide email from Deidre. Clubhouse 4 artwork members need to talk to Sabine, and Clubhouse 5 artwork members need to contact security.

*Artwork purchase discussion:* There was some confusion in the past that artwork could not be purchased by Community Center employees. That is no longer the case.

The meeting ended at 10:00 am.

Respectfully submitted,

Kris deYoung, LWAA Secretary
