

New Directives from Dutchess County as of April 9, 2020

From County Executive Marc Molinaro, *"The next 7-10 days are critical. We know we are behind NYC by that amount of time so we expect an explosive number of Covid-19 cases before we hit the other side of the curve. Please adhere to our new guidelines and STAY SAFE"*:

1. Individuals should WEAR A FACE COVERING when outside
2. STAY HOME for the next ten days
3. LIMIT SHOPPING to 1 x per week only
4. If a Parking Lot is crowded when you pull in, GO HOME
