The Month lector schedule is based on days so a Saturday 31st and Sunday 1st would have lectors from each corresponding month.

If you are not able to lector as scheduled, please find a substitute from the list.

Google "USCCB Daily Reading" to find any readings needed for the Mass, This will be specific to the day on the USCCB website.

Dear St. Joseph's Lectors:

Thank you for your flexibility in scheduling since COVID began. I have tried to involve everyone similarly. If you know of anyone interested in becoming a lector, let Michael Pekar know as it would be nice to add more people to the roster for the flexibility of all and to involve more people in the Holy Mass. Once they are trained they can contact me to be added to the list.

Thank you again for sharing your time and talents with the parish. St. Joseph's Church is thankful for your willingness to step up, proclaim the word of God, and be a part of the Mass.

Your brother in Christ,

Leo Wehseler
