Requesting a doctor of your choice

When booking an appointment the patient is able to request the Doctor or Practitioner of their choice. This service can be accessed via reception or selecting the preferred practitioner online.

Consultation length

Consultations may vary in length depending on the reason for the consultation.

Procedures and cervical testing, vaccination and assessments, require a double appointment.

These consultations require both a Doctor and a nurse appointment to be booked.

Reception will advise regarding your consult needs and will allocate a suitable appointment time as needed.

HotDoc allows you to allocate more time by selecting a “long consult” or two appointment times.

Services - Available GP Services include:
